

## microRDS - RED DOT MICRO SIGHT no Backup sights - PICATINNY ADAPTER TO MEPRO QD ADAPTER FOR MEPRO microRDS

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipod Accessories](#)

The quickest, easiest upgrade in the history of accuracy. The Mepro microRDS brings the rapid target acquisition of a full-size red dot rifle optic to a compact pistol sight. Featuring a patented quick-detach (QD) adaptor kit that easily mounts using the pistol's existing rear sight dovetail slot; no drilling, tapping or need for a gunsmith. It's the only red-dot solution that instantly mounts and dismounts without having to re-zero, with an adaptor that also gives you a Meprolight® TruDot™ self-illuminated sight as a back-up when the red dot optic is removed. Built to mount in minutes to any pistol with red dot capability. It also serves as an excellent close-quarters red dot sight and backup sight for rifles and shotguns.

# microRDS RED DOT MICRO SIGHT Safety Instruction Guide

## Introduction

Thank you for choosing the microRDS RED DOT MICRO SIGHT. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the microRDS is installed and used according to the instructions provided in this manual.
- Always handle firearms safely and responsibly, following all applicable laws and regulations.
- Inspect the microRDS for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the microRDS only with firearms that are compatible with red dot sights.
- Do not attempt to modify or alter the microRDS in any way.
- Ensure that the sight is securely mounted before use to prevent any accidents.
- Do not look directly at the sun through the sight, as this may cause eye damage.
- Always ensure that the firearm is unloaded when mounting or dismounting the microRDS.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure your firearm is unloaded and safe to handle.
2. **Mounting:**
  - Locate the rear sight dovetail slot on your pistol.
  - Align the microRDS with the dovetail slot.
  - Use the patented quickdetach (QD) adaptor kit to securely mount the sight without drilling or tapping.
3. **Check Stability:** After mounting, gently shake the firearm to ensure that the microRDS is firmly attached.

### Usage

1. **Power On:** Activate the sight according to the manufacturer's instructions.
2. **Zeroing:** Once mounted, check the zero of the sight. Make necessary adjustments to ensure accuracy.
3. **Switching to Backup Sight:** If the red dot optic needs to be removed, the Meprolight® TruDot™ selfilluminated sight will serve as a backup. Ensure you are familiar with its use.

## Disposal Instructions

- Dispose of the microRDS in accordance with local regulations regarding electronic waste.
- Do not dispose of the product in household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the microRDS RED DOT MICRO SIGHT, please refer to the manufacturer's contact information provided on the packaging or visit the official website.

Thank you for your attention to these safety instructions. Enjoy your experience with the microRDS RED DOT MICRO SIGHT!
