# MEPRO Tru Dot FIXED SIGHTS Safety Instruction Guide

## Introduction

Thank you for choosing the MEPRO Tru Dot FIXED SIGHTS Tru Dot FIXED PISTOL SET for your firearm. These combatproven selfilluminated night sights are designed to enhance your shooting capabilities under lowlight conditions. This guide provides essential safety instructions to ensure the safe use and installation of your product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Always handle your firearm and its accessories with care, following proper safety protocols.
- Keep the sights clean and free from obstructions to maintain optimal functionality.
- Regularly inspect the sights for any signs of damage or wear before use.
- Store the sights in a safe, dry place when not in use, away from children and unauthorized users.
- Be aware of your surroundings and ensure a safe shooting environment at all times.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Handling:** Always treat your firearm as if it is loaded. Keep the muzzle pointed in a safe direction.
- **Installation:** Follow the installation instructions carefully to avoid improper mounting that could affect performance.
- **Usage:** Only use the sights in conjunction with compatible firearms as specified by the manufacturer.
- **Lighting Conditions:** Be aware that while these sights improve visibility in lowlight conditions, they do not replace safe shooting practices.
- **Vulnerable Groups:** Keep the product out of reach of children and ensure that only trained individuals operate the firearm equipped with these sights.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sights using appropriate tools.
- Align the MEPRO Tru Dot FIXED SIGHTS with the mounting points on your firearm.
- Securely fasten the sights in place, ensuring they are stable and properly aligned.
- Check the installation for any movement or looseness before use.

### 2. Usage:

- Familiarize yourself with the sighting system and practice aiming in a safe environment.
- Use the three solid dots as your aiming reference, which are consistent in visibility under all lighting conditions.
- Regularly practice shooting to maintain proficiency with the sights.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and firearm accessories.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer functional, contact your local waste management authority for

proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further support, please refer to the manufacturer's contact information provided with your product packaging or visit the official website.
