[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot FIXED PISTOL SET GLOCK 42,43,43X 48 G/Y Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET for your Glock 42, 43, 43X, and 48 models. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your new night sights. Please read this manual carefully to understand the product's features and how to use them safely.

General Safety Guidelines

- **Product Safety:** Ensure safe use by following all instructions provided in this manual.
- **Enhanced Recalls:** Stay informed about any potential recalls related to this product. Check official sources for updates.
- **Online Shopping:** If purchased online, ensure the seller complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Always keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact information available at the point of purchase.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- Always handle firearms with care and ensure they are unloaded when installing or adjusting sights.
- Verify that the sights are compatible with your specific Glock model before installation.
- Avoid using the firearm in conditions where visibility is severely compromised, as this may affect accuracy and safety.
- Regularly inspect the sights for any signs of wear or damage. Replace them if necessary.
- Do not attempt to modify the sights beyond the manufacturer's specifications.
- Use only approved tools for installation to prevent damage to the sights or firearm.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a screwdriver and any other tools specified by the manufacturer.

2. Installation Steps

- Remove the existing front and rear sights from your Glock.
- Align the Tru Dot sights with the mounting points on your firearm.
- Secure the sights in place using the provided screws or mounting hardware.
- Ensure that the sights are firmly attached and aligned correctly.

3. Usage

- Familiarize yourself with the sighting system before use. The TruDot models feature three solid dots for aiming.
- Practice aiming in various lighting conditions to understand how the sights perform in day and night scenarios.
- Always check your aim and ensure proper sight alignment before firing.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and hazardous waste.
- Do not throw the product in regular household waste. Check for recycling programs in your area.

Contact Information for Further Support

For any questions or concerns regarding the Tru Dot FIXED PISTOL SET, please refer to the manufacturer's contact information available at the point of purchase.
