[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot FIXED PISTOL SET GLOCK 10MM Safety Instructions

Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET GLOCK 10MM. These selfilluminated night sights are designed to enhance your shooting experience in various lighting conditions. This guide provides essential safety instructions to ensure the safe and effective use of your product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that your shooting environment is safe and secure.
- Familiarize yourself with the operation of your firearm and the Tru Dot sights before use.
- Keep the sights clean and free from obstructions.
- Store your sights and firearm in a secure location, out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Ensure that the firearm is unloaded before attempting to install the sights.
 - Use appropriate tools to avoid damaging the sights or firearm.
- **Usage Precautions:**
 - Always wear eye protection when using your firearm.
 - Avoid using the sights in extreme weather conditions that may impair visibility.
 - Do not attempt to modify the sights or firearm in any way that is not recommended by the manufacturer.
- **Storage Precautions:**
 - Store the sights in a dry environment to prevent corrosion.
 - If the sights become damaged, do not use them and seek professional assistance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing sights using appropriate tools.
- Align the Tru Dot sights with the mounting slots on your firearm.
- Secure the sights in place following the manufacturer's specifications.
- Check for stability and ensure that the sights are properly aligned.

2. Usage:

- Familiarize yourself with the sighting system before shooting.
- Practice aiming in various lighting conditions to understand the functionality of the Tru Dot sights.
- Maintain a proper shooting stance and grip to maximize accuracy.
- Regularly check the sights for any signs of wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the sights are damaged or no longer functional, consult with a qualified professional for proper disposal methods.

Contact Information for Further Support

For questions or concerns regarding the Tru Dot FIXED PISTOL SET GLOCK 10MM, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of others is of utmost importance. Enjoy your enhanced shooting experience with the Tru Dot sights!
