[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot FIXED PISTOL SET GLOCK STD Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET GLOCK STD. This safety instruction guide is designed to help you use this product safely and effectively. Please read this guide carefully to ensure proper handling and maintenance of your night sights. Your safety and satisfaction are our top priorities.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Tru Dot FIXED PISTOL SET GLOCK STD by following all instructions provided in this guide.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices. If a recall is issued, follow the instructions provided for returning or replacing the product.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety regulations to guarantee a safe shopping experience.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored out of reach of minors.
- **EU Contact Point:** For any safety inquiries related to this product, please contact the designated EU representative.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on any unsafe products.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Ensure that the firearm is unloaded before installing the sights.
 - Use appropriate tools to avoid damage to the firearm or sights.
- **Usage Precautions:**
 - Always aim your firearm in a safe direction.
 - Do not use the sights in conditions for which they are not designed.
 - Regularly inspect the sights for any signs of wear or damage.
- **Maintenance Precautions:**
 - Clean the sights with a soft cloth to avoid scratches.
 - Do not use harsh chemicals or abrasive materials on the sights.
- **Storage Precautions:**
 - Store the firearm in a secure location.
 - Keep the sights free from moisture and extreme temperatures.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare the Firearm:**
 - Ensure the firearm is completely unloaded.
 - Remove any existing sights if applicable.
2. **Mounting the Sights:**
 - Align the Tru Dot sights with the mounting holes on the firearm.
 - Use the appropriate screws and tools to secure the sights in place.
 - Ensure that the sights are firmly attached and do not wobble.
3. **Final Check:**
 - Inspect the installation to ensure proper alignment.
 - Test the sights by aiming at a target to confirm visibility.

Usage Instructions

- **Aiming:**
 - Use the three solid dots for aiming under all light conditions.
 - Practice aiming in different lighting scenarios to become familiar with the sights.
- **Target Practice:**
 - Regularly practice shooting at stationary and moving targets to improve your skills.
 - Adjust your shooting technique based on the visibility of the sights.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- When disposing of the Tru Dot sights, follow local guidelines for electronic waste if applicable.
- Ensure that the product is rendered unusable before disposal to prevent unauthorized use.

Contact Information for Further Support
