[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

# Tru Dot FIXED PISTOL SET GLOCK STD Safety Instruction Guide

## Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET GLOCK STD. This guide provides essential safety instructions to ensure the safe use and installation of your night sights. It is important to follow these guidelines to maximize safety and performance.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Always handle firearms with care and follow all local laws and regulations regarding firearm safety.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the night sights for any signs of damage or wear.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Before using the Tru Dot FIXED PISTOL SET, ensure that your firearm is unloaded.
- Do not attempt to install or modify the sights while the firearm is loaded or in a readytofire state.
- Use appropriate tools and protective gear when installing the sights.
- Ensure that the installation area is welllit and free from distractions.
- Be aware of your surroundings when using the firearm to avoid accidents.
- If you experience any issues with the sights, cease use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure you have the necessary tools for installation (e.g., screwdriver, wrench).
- Read all instructions thoroughly before beginning the installation.

### 2. Installation Steps

- Unload your firearm and ensure it is pointed in a safe direction.
- Remove the existing sights from your Glock using the appropriate tools.
- Align the Tru Dot FIXED PISTOL SET sights with the mounting points on your firearm.
- Securely attach the front and rear sights, ensuring they are properly aligned.
- Make minor adjustments as necessary to ensure accuracy.

### 3. Usage

- Familiarize yourself with the aiming reference of the Tru Dot sights, which consists of three solid dots.
- Practice aiming in various lighting conditions to understand how the sights perform in day and night scenarios.
- Always store your firearm and the Tru Dot sights in a secure location when not in use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the night sights reach the end of their life cycle, dispose of them responsibly, following local electronic waste disposal guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the Tru Dot FIXED PISTOL SET, please refer to the manufacturer's website or contact your local distributor for assistance. Ensure you have the product details available when seeking support.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with your Tru Dot FIXED PISTOL SET GLOCK STD. Always prioritize safety and responsible usage.
