

# Tru Dot FIXED PISTOL SET BERSA THUNDER 380,PLUS G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

# Tru Dot FIXED PISTOL SET BERSA THUNDER 380

## Safety Instruction Guide

### Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET for your Bersa Thunder 380. This guide provides essential safety instructions, installation guidelines, and disposal information to ensure your product is used safely and effectively. Please read this guide thoroughly before use.

### General Safety Guidelines

- **Product Safety:** Ensure safe use of the Tru Dot sights by following all instructions provided. These sights are designed for nonfood products and comply with EU safety standards.
- **Enhanced Recalls:** Be aware that in the event of a product recall, you will receive standardized notices and free remedies for any dangerous products.
- **Online Shopping:** If purchased online, the same safety protections apply as if bought in a physical store. Ensure the online platform meets safety requirements.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, such as children.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Stay informed about any updates on unsafe products through the Safety Gate system.

### Specific Safety Precautions for Use

- **Do not modify:** Avoid making any unauthorized modifications to the Tru Dot sights, as this may compromise safety and functionality.
- **Regular inspection:** Frequently check the sights for any signs of wear or damage. If any issues are found, discontinue use immediately.
- **Proper handling:** Handle the firearm and sights with care, ensuring they are stored securely when not in use.
- **Keep out of reach:** Store the product in a safe place, away from children and unauthorized users.
- **Use appropriate ammunition:** Always use the correct ammunition as specified by the manufacturer of your firearm.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (e.g., screwdriver, wrench).

#### 2. Installation:

- Remove the existing front and rear sights from the firearm.
- Align the Tru Dot sights with the mounting points on your firearm.
- Securely attach the Tru Dot sights using the appropriate tools. Ensure they are firmly in place and do not wobble.

#### 3. Usage:

- Familiarize yourself with the sighting system. The Tru Dot sights feature three solid dots for improved aiming.

- Practice aiming in various lighting conditions to become accustomed to the sight's functionality.
- Always ensure that you are in a safe environment when practicing with your firearm.

## Disposal Instructions

- **Environmental responsibility:** Dispose of the Tru Dot sights in accordance with local regulations regarding electronic waste and firearm accessories.
- **Contact local authorities:** For guidance on proper disposal methods, contact local waste management authorities.

## Contact Information for Further Support

For any questions or concerns regarding the Tru Dot FIXED PISTOL SET, please refer to the designated EU contact point associated with this product.
