

Tru Dot FIXED PISTOL SET BERSA THUNDER BP CC G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot Fixed Pistol Set Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot Fixed Pistol Set for your Bersa Thunder BP CC G/G. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** This product is designed to enhance your shooting capabilities while ensuring safe use. Always handle it with care and respect.
- **Enhanced Recalls:** Stay informed about product recalls. In the event of a recall, follow the provided instructions for returning or exchanging the product.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra caution should be exercised when the product is used by vulnerable groups, including children. Ensure that it is stored safely out of their reach.
- **EU Contact Point:** For any safety inquiries, please refer to the relevant EU contact point provided by the manufacturer.
- **Rapid Alerts:** Monitor updates regarding unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the sights.
- Do not attempt to modify the sights beyond the manufacturer's specifications.
- Ensure that your hands are clean and dry when handling the sights to avoid slipping.
- Use appropriate eye and ear protection when using the firearm.
- Avoid using the sights in extreme weather conditions (e.g., heavy rain, snow) as visibility may be compromised.
- Regularly inspect the sights for any signs of wear or damage, and replace them if necessary.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front and rear sights according to the manufacturer's instructions.
- Align the Tru Dot sights with the mounting points on the firearm.
- Secure the sights using the provided screws or mounting hardware, ensuring a snug fit.
- If necessary, make minor adjustments to ensure proper alignment.
- Check that the sights are securely attached before use.

2. Usage:

- Familiarize yourself with the sighting system before using it in a live environment.
- Practice aiming with the Tru Dot sights in a controlled setting to enhance your accuracy.
- Use the threedot system as your aiming reference under various lighting conditions.
- If transitioning from day to night use, ensure that the sights are functioning properly in lowlight conditions.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer in use, consult local recycling facilities or waste management services for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Tru Dot Fixed Pistol Set, please refer to the manufacturer's contact information provided with your product. Ensure that you have the product details ready for a more efficient support experience.

Thank you for your attention to these important safety guidelines. Your safety and the safety of others are of utmost importance. Always prioritize responsible handling and usage of your firearm and accessories.
