[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot FIXED PISTOL SET BERETTA M9/M92

Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET for your Beretta M9/M92. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

General Safety Guidelines

- **Product Safety:** This product is designed to meet safety standards for nonfood items, ensuring safe use. Always follow the instructions to minimize risks.
- **Enhanced Recalls:** Stay informed about any product recalls. If a recall occurs, you will be provided with standardized notices and remedies at no cost.
- **Online Shopping Safety:** When purchasing online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra precautions should be taken when using this product around vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, ensure you have access to an EU-based contact point.
- **Rapid Alerts:** Stay updated on product safety through the Safety Gate system, which provides fast information on unsafe products.

Specific Safety Precautions for Use

- **Always ensure the firearm is unloaded** before installing or adjusting the sights.
- **Avoid exposure to extreme temperatures** which could affect the performance of the tritium sights.
- **Do not attempt to modify or disassemble** the sights beyond the installation instructions provided.
- **Ensure proper installation** to avoid misalignment that could affect aiming accuracy.
- **Regularly inspect the sights** for any signs of wear or damage and replace if necessary.
- **Keep the product out of reach of children** and unauthorized users.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (typically a screwdriver).

2. Installation:

- Remove the existing front and rear sights from your Beretta M9/M92.
- Align the Tru Dot sights with the mounting points on your firearm.
- Secure the sights in place, ensuring they are tightly fitted but not overly tightened to avoid damage.
- Confirm that the sights are aligned correctly for optimal aiming.

3. Usage:

- Familiarize yourself with the sighting system. The TruDot models feature three solid dots for aiming, which are visible in all light conditions.
- Practice aiming with the sights in various lighting conditions to become accustomed to their use.
- Always maintain focus on the target while using the sights for improved accuracy.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains batteries or hazardous materials.
- Check with local authorities for proper disposal methods for firearm accessories.

Contact Information for Further Support

For any questions or concerns regarding the Tru Dot FIXED PISTOL SET or its installation and usage, please refer to the manufacturer's website or contact your local retailer for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your Tru Dot FIXED PISTOL SET. Thank you for your attention to safety, and enjoy your enhanced shooting experience.
