

Tru Dot FIXED PISTOL SET BERETTA PX4 STORM(F/G SERIES) G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot Fixed Pistol Set Safety Instructions

Introduction

Thank you for choosing the Tru Dot Fixed Pistol Set for your Beretta PX4 Storm. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual carefully and keep it for future reference.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Store your firearm securely and out of reach of children.
- Use only manufacturer approved parts and accessories.
- Regularly inspect your sights for any signs of damage or wear.
- Ensure proper installation to avoid malfunction.
- Follow all local laws and regulations regarding firearm use and safety.
- Be aware of your surroundings and ensure a clear line of sight when aiming.

Specific Safety Precautions for Use

- **Use in LowLight Conditions:** The Tru Dot sights are designed for lowlight conditions, but ensure you are familiar with their operation before using them in such environments.
- **Target Identification:** Always positively identify your target before shooting.
- **Shooting Range Protocols:** Follow all safety protocols of the shooting range, including wearing appropriate eye and ear protection.
- **Children and Vulnerable Groups:** Keep your firearm and accessories out of reach of children and educate them about firearm safety.
- **DistractionFree Environment:** Avoid distractions while handling your firearm to ensure safe use.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front and rear sights carefully, following the manufacturer's instructions.
- Align the Tru Dot sights with the mounting points on your firearm.
- Secure the sights in place with the appropriate tools, ensuring they are tightly fitted to avoid movement during use.
- If necessary, consult a qualified gunsmith for installation assistance.

2. Usage:

- Familiarize yourself with the sighting system before use.
- Practice aiming with the Tru Dot sights in a controlled environment.
- Adjust your shooting stance and grip as needed for optimal sight alignment.
- Regularly practice to maintain proficiency and comfort with the sights.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's website or contact your local distributor for assistance.

By following these safety instructions, you can ensure a safer shooting experience with your Tru Dot Fixed Pistol Set. Always prioritize safety and responsibility when handling firearms.
