

# Tru Dot FIXED PISTOL SET RUGER P90/91/93/95 G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is responding to users' needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

# Tru Dot FIXED PISTOL SET RUGER P90/91/93/95 G/G Safety Instruction Guide

## Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET for your Ruger P90/91/93/95. This guide provides essential safety information and instructions to ensure the safe use and maintenance of your product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure safe handling of the Tru Dot FIXED PISTOL SET by following these guidelines:
  - Always treat the firearm as if it is loaded.
  - Store the firearm in a secure location, away from children and unauthorized users.
  - Use the sights only for their intended purpose.
  - Regularly inspect the sights for damage or wear.
  - Follow all local laws and regulations regarding firearms and accessories.

## Specific Safety Precautions for Use

- Before using the Tru Dot FIXED PISTOL SET, please consider the following precautions:
  - Ensure proper installation to avoid misalignment that may affect accuracy.
  - Do not attempt to modify the sights beyond the manufacturer's specifications.
  - Be aware of your surroundings and ensure a safe shooting environment.
  - Use appropriate eye and ear protection while shooting.
  - Avoid using the sights in extreme weather conditions that may impair visibility.

## Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the Tru Dot FIXED PISTOL SET:

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front and rear sights from the firearm.
- Align the Tru Dot sights with the mounting points on the firearm.
- Secure the sights using the provided screws, ensuring they are tightened but not overtightened to avoid damage.

### 2. Usage:

- Familiarize yourself with the sight alignment. The Tru Dot system uses three solid dots for aiming.
- Practice aiming in both daylight and lowlight conditions to get accustomed to the sight picture.
- Regularly check the alignment of the sights to ensure they remain securely attached and properly positioned.

## Disposal Instructions

- When it is time to dispose of the Tru Dot FIXED PISTOL SET, please follow these guidelines:
  - Do not throw the product in regular household waste.

- Check local regulations for proper disposal of firearm accessories.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

- For any questions or concerns regarding the Tru Dot FIXED PISTOL SET, please refer to the manufacturer's contact information provided with the product packaging. It is important to have a direct line of communication for safety inquiries.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your Tru Dot FIXED PISTOL SET. Always prioritize safety and adhere to local laws and regulations regarding firearms. Thank you for your commitment to responsible firearm ownership.
