

# Tru Dot FIXED PISTOL FRONT RUGER SP101 G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

# Tru Dot Fixed Pistol Front Ruger SP101 G Safety Instruction Guide

## Introduction

Thank you for choosing the Tru Dot Fixed Pistol Front Ruger SP101 G. This guide provides essential safety instructions to ensure the safe and effective use of your product. It complies with the EU General Product Safety Regulation (GPSR) to protect consumers and enhance safety.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the Tru Dot sights by following the instructions provided in this guide.
- **Enhanced Recalls:** Be aware that standardized recall notices will be communicated if any safety concerns arise regarding this product.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements and provides the same protections as physical stores.
- **Special Consumer Focus:** Extra precautions should be taken if the product is used by vulnerable groups, including children.
- **EU Contact Point:** For safety inquiries, please refer to the appropriate EU-based contact as required.
- **Rapid Alerts:** Stay informed about any unsafe product updates via the EU Safety Gate system.

## Specific Safety Precautions for Use

- **Installation:** Ensure that the Tru Dot sights are installed correctly to avoid any operational hazards.
- **Handling:** Always handle your firearm with care. Treat it as if it is loaded at all times.
- **Visibility:** Ensure that the sights are clearly visible under different lighting conditions to maintain accuracy.
- **Regular Checks:** Periodically check the sights for any signs of wear or damage that may affect performance.
- **User Training:** Only use the sight if you have received proper training in firearm safety and usage.
- **Environmental Considerations:** Avoid using the sights in extreme temperatures or conditions that may impair their functionality.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded before installation.
- Remove the existing front and rear sights according to the manufacturer's instructions.
- Align the Tru Dot sights with the mounting points on your firearm.
- Secure the sights in place, making sure they are properly fitted and stable.
- Perform a visual inspection to confirm correct installation.

### 2. Usage:

- Familiarize yourself with the sighting system before use.
- Practice aiming with the Tru Dot sights in a controlled environment.
- Utilize the sights for both stationary and moving targets under lowlight conditions.
- Always maintain focus on your target while using the sights to enhance hit probability.
- Ensure that you are in a safe and secure location when practicing or using the firearm.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for electronic and hazardous waste.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or further support regarding the Tru Dot Fixed Pistol Front Ruger SP101 G, please refer to the appropriate resources available in your region.
