[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

# Consumer Safety Instruction Guide for FIXED PISTOL SET SPRINGFIELD XD Tru Dot

## Introduction

Thank you for choosing the FIXED PISTOL SET SPRINGFIELD XD Tru Dot. This guide provides essential safety instructions to ensure the safe use of your product. It complies with the EU General Product Safety Regulation (GPSR) to help you understand potential hazards and how to mitigate them.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Awareness:**
  - Improper installation or use of sights can lead to misalignment and increase the risk of accidents.
  - Always ensure that your firearm is unloaded when installing or adjusting the sights.
- **Handling:**
  - Always treat your firearm as if it is loaded.
  - Point the firearm in a safe direction at all times.
- **Installation Precautions:**
  - Follow installation instructions carefully to avoid improper fitting.
  - Use appropriate tools and avoid excessive force during installation.
- **Storage:**
  - Store the firearm in a secure location, ideally in a locked safe or cabinet.
  - Ensure that the sights are protected from moisture and extreme temperatures.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front and rear sights using appropriate tools.
- Align the new TruDot sights with the mounting points on the firearm.
- Secure the sights in place, ensuring they are tightly fitted but not overtorqued.
- Verify alignment by aiming at a target and making adjustments as necessary.

### 2. Usage:

- Familiarize yourself with the sighting system before use.
- Practice aiming with the TruDot sights in various lighting conditions to understand their performance.
- Always ensure a proper grip and stance when aiming and firing.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for electronic waste and firearm accessories.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider returning it to the manufacturer for proper disposal.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or usage of the FIXED PISTOL SET SPRINGFIELD XD Tru Dot, please refer to the manufacturer's website or contact their customer support directly. Ensure to have your product information available for reference.

By following these guidelines, you can ensure a safer experience with your FIXED PISTOL SET SPRINGFIELD XD Tru Dot. Always prioritize safety and responsibility when handling firearms.
