[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

# Safety Instruction Guide for FIXED PISTOL SET SPRINGFIELD XD Tru Dot

## Introduction

Thank you for choosing the FIXED PISTOL SET SPRINGFIELD XD Tru Dot. This guide provides essential safety instructions to ensure the safe use and installation of your night sights. It complies with the EU General Product Safety Regulation (GPSR), ensuring that you have the information needed to use this product safely and effectively.

## General Safety Guidelines

- Ensure that the product is suitable for your firearm model before installation.
- Always handle firearms with care and follow standard firearm safety rules.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear.
- If the product shows any signs of malfunction, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- Do not attempt to modify the sights beyond the recommended installation instructions.
- Avoid using the sights in extreme weather conditions that may affect visibility.
- Ensure that the sights are clean and free from debris before use.
- Use appropriate eye and ear protection while handling firearms equipped with these sights.
- Be aware of your surroundings and ensure that you are in a safe environment when aiming or firing.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (e.g., screwdriver, wrench).

#### 2. Remove Existing Sights:

- Carefully remove the existing front and rear sights from your firearm, following the manufacturer's instructions.

#### 3. Install New Sights:

- Align the new TruDot sights with the sight dovetails on your firearm.
- Gently press or screw the sights into place, ensuring they are secure.

#### 4. Check Alignment:

- After installation, check the alignment of the sights to ensure they are straight and properly positioned.

#### 5. Test the Sights:

- Once installed, test the sights in a safe environment to confirm their functionality and alignment.

## **Usage Instructions**

- Use the TruDot sights during both day and night conditions for optimal performance.
- Familiarize yourself with the sighting system to improve rapid instinctive aiming.
- Regularly practice with the sights to enhance your shooting accuracy and efficiency.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If you need to dispose of the sights, check with local waste management services for proper disposal methods.
- Do not discard the product in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any inquiries related to the product, please refer to the manufacturer's contact information provided with your purchase. Always ensure you have the latest safety updates and recall information.

Thank you for your attention to these safety instructions. Your safety and the safety of others is paramount when using firearms and related accessories. Enjoy your enhanced shooting experience with the FIXED PISTOL SET SPRINGFIELD XD Tru Dot.
