

FIXED PISTOL SET SPRINGFIELD XD - Tru Dot FIXED PISTOL SET SPRINGFIELD XD 9MM/.40 G/Y

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Safety Instructions for FIXED PISTOL SET SPRINGFIELD XD Tru Dot

Introduction

Thank you for choosing the FIXED PISTOL SET SPRINGFIELD XD Tru Dot. This product is designed to enhance your shooting accuracy under various lighting conditions. Please read and follow these safety instructions carefully to ensure safe and effective use of your new sights.

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Keep your firearm pointed in a safe direction at all times.
- Ensure that the firearm is secured and out of reach of children and unauthorized users.
- Familiarize yourself with local laws regarding firearm usage and storage.
- Use protective eyewear and hearing protection when shooting.
- Regularly inspect your firearm and sights for any signs of wear or damage.
- Ensure that you are trained in the safe handling and operation of firearms.

Specific Safety Precautions for Use

- Do not attempt to modify or disassemble the sighting system.
- Ensure that the sight is properly mounted before use.
- Avoid using the sight in extreme weather conditions that may impair visibility.
- Do not rely solely on the sight in lowlight conditions; always assess your environment.
- If you notice any malfunction or unusual behavior, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Preparation:** Before installation, ensure that the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Sights:** Use appropriate tools to carefully remove the existing front and rear sights from your firearm.
3. **Mount the Tru Dot Sights:**
 - Align the front sight with the designated slot on the firearm.
 - Securely attach the rear sight in its designated position.
 - Make any necessary minor adjustments to ensure proper alignment.
4. **Check Stability:** After installation, ensure that both sights are firmly attached and do not move when touched.

Usage

- Align the three solid dots of the Tru Dot sight with your target.
- Practice aiming in both daylight and lowlight conditions to familiarize yourself with the sighting system.
- Regularly check the sights for alignment and visibility, especially after extensive use.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and hazardous materials.
- Do not dispose of the product in regular household waste.

- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For further assistance and inquiries regarding safety or product concerns, please refer to the manufacturer's contact information available on the packaging or the official website.

By following these safety instructions, you can ensure a safer shooting experience with your FIXED PISTOL SET SPRINGFIELD XD Tru Dot. Enjoy your time at the range and prioritize safety at all times.
