

# **FIXED PISTOL SET SPRINGFIELD XD - Tru Dot FIXED PISTOL SET SPRINGFIELD XD 45ACP G/G**

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

# Safety Instruction Guide for FIXED PISTOL SET SPRINGFIELD XD Tru Dot

## Introduction

Thank you for choosing the FIXED PISTOL SET SPRINGFIELD XD Tru Dot. This safety instruction guide is designed to help you use this product safely and effectively. Please read this guide thoroughly before installation and use to ensure your safety and the safety of others.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store the firearm and ammunition separately and securely.
- Use appropriate eye and ear protection when using the firearm.
- Be aware of your surroundings and identify your target and what is beyond it.
- Follow all local laws and regulations regarding firearm usage and storage.

## Specific Safety Precautions for Use

- Ensure that the FIXED PISTOL SET is compatible with your Springfield XD model.
- Inspect the sights for any damage or defects before installation.
- Do not attempt to install the sights if you are not familiar with firearm maintenance. Seek professional assistance if needed.
- Avoid using the firearm in adverse weather conditions that could impair visibility or handling.
- Ensure that the tritium dots are functioning correctly and are visible in lowlight conditions before use.
- Do not modify the sights beyond the manufacturer's specifications.

## Instructions for Installation and Usage

### Installation Steps

1. **Preparation:** Ensure the firearm is unloaded and safe to handle. Remove the magazine and visually inspect the chamber to confirm it is empty.
2. **Remove Existing Sights:** Carefully remove the existing front and rear sights using appropriate tools. Take care not to damage the firearm.
3. **Mount the New Sights:** Align the new FIXED PISTOL SET sights with the mounting points. Ensure they are positioned correctly for optimal aiming.
4. **Secure the Sights:** Tighten the screws or fasteners to secure the sights in place. Do not overtighten, as this may damage the sights or the firearm.
5. **Final Check:** Inspect the installation to ensure that the sights are secure and properly aligned.

### Usage Instructions

- Aim using the three solid dots as your reference for both day and night conditions.
- Practice shooting in different lighting scenarios to become accustomed to the sighting system.
- Regularly check the sights for any signs of wear or damage, especially after extensive use.

### Disposal Instructions

- Dispose of any damaged or nonfunctional sights in accordance with local regulations.
- Do not dispose of the sights in regular household waste. Check with local waste management authorities

for proper disposal methods.

## **Contact Information for Further Support**
