[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

# Safety Instruction Guide for FIXED PISTOL SET SPRINGFIELD XD Tru Dot

## Introduction

Thank you for choosing the FIXED PISTOL SET SPRINGFIELD XD Tru Dot. This product is designed to enhance your shooting accuracy and performance under various lighting conditions. To ensure your safety and the effective use of this product, please read and follow the instructions provided in this guide.

## General Safety Guidelines

- Ensure that the product is used in accordance with all applicable laws and regulations regarding firearms and accessories in your area.
- Always treat the firearm as if it is loaded. Keep the muzzle pointed in a safe direction.
- Store the firearm and accessories in a secure location, away from unauthorized access, especially by children.
- Regularly inspect the sights for any signs of damage or wear. Replace if necessary.
- Do not modify the product beyond the manufacturer's specifications, as this may compromise safety and performance.
- Be aware of your surroundings and ensure that your shooting area is safe and appropriate for firearm use.

## Specific Safety Precautions for Use

- Only use the FIXED PISTOL SET SPRINGFIELD XD Tru Dot with compatible Springfield XD models.
- Avoid using the sights in conditions where visibility is extremely poor, as this may impair aiming.
- When adjusting or installing the sights, ensure that the firearm is unloaded and pointed in a safe direction.
- If you notice any malfunction or irregularity while using the sights, cease use immediately and consult a professional.
- Be cautious when cleaning the firearm and sights to avoid any accidental discharge.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe condition.
- Gather all necessary tools for installation, including a screwdriver and any specific tools recommended by the manufacturer.

### 2. Installation:

- Remove the existing front and rear sights according to the manufacturer's instructions.
- Align the new TruDot sights with the mounting points on the firearm.
- Securely fasten the sights using the appropriate screws, ensuring they are tightened to the manufacturer's specifications.
- Verify that the sights are properly aligned and stable before use.

### 3. Usage:

- Familiarize yourself with the sighting system. The TruDot design features three solid dots that provide a consistent aiming reference.
- Practice aiming with the sights in various lighting conditions to understand their functionality.

- Regularly check the sights for proper alignment and functionality, especially after extended use.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product reaches the end of its life cycle or is damaged beyond repair, dispose of it responsibly, ensuring that it does not pose a risk to the environment or public safety.
- Consult local regulations regarding the disposal of firearm accessories to ensure compliance.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the FIXED PISTOL SET SPRINGFIELD XD Tru Dot, please refer to the manufacturer's customer support resources. It is essential to address any concerns or questions to ensure safe and effective use of your product.

## Conclusion

The FIXED PISTOL SET SPRINGFIELD XD Tru Dot is a valuable addition to your firearm, offering enhanced aiming capabilities. By following these safety instructions and guidelines, you can ensure a safe and enjoyable shooting experience. Always prioritize safety and responsible usage when handling firearms and their accessories.
