

FIXED PISTOL SET SPRINGFIELD XD - Tru Dot FIXED PISTOL SET SPRINGFIELD XD 45ACP G/Y

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Safety Instruction Guide for FIXED PISTOL SET SPRINGFIELD XD Tru Dot

Introduction

Thank you for choosing the FIXED PISTOL SET SPRINGFIELD XD Tru Dot. This product is designed to enhance your shooting experience by providing superior sighting capabilities. It is important to follow the safety guidelines outlined in this document to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always treat firearms and firearm accessories with respect and caution.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any defects or irregularities, discontinue use immediately and seek assistance.
- Follow all local laws and regulations regarding firearm ownership and use.
- Use only compatible firearms as specified by the manufacturer.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when using firearms equipped with this sighting system.
- Ensure that the firearm is unloaded when installing or adjusting the sights.
- Avoid using the product in a manner that could compromise your safety or the safety of others.
- Do not modify the sighting system in any way that is not recommended by the manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment.
- Never point the firearm at anything you do not intend to shoot.

Instructions for Installation and Usage

Installation

1. **Prepare the Firearm:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Sights:** Carefully remove the existing front and rear sights from the firearm according to the manufacturer's instructions.
3. **Install TruDot Sights:**
 - Align the front sight with the designated mounting area on the firearm.
 - Secure the front sight in place using the appropriate tools.
 - Repeat the process for the rear sight, ensuring proper alignment.
4. **Check Alignment:** Verify that both sights are aligned correctly before use.

Usage

- Familiarize yourself with the sighting system before using it in a live shooting scenario.
- Practice aiming with the TruDot sights in various lighting conditions to understand their functionality.
- Maintain a proper shooting stance and grip while aiming to maximize accuracy.
- Regularly clean the sights to ensure optimal visibility and performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding hazardous materials.
- If the product is damaged or no longer in use, consider recycling components where applicable.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any safety inquiries or further support regarding this product, please refer to the manufacturer's contact details provided with your product packaging.

This safety instruction guide is designed to ensure your safety and satisfaction with the FIXED PISTOL SET SPRINGFIELD XD Tru Dot. Please read and adhere to all instructions carefully.
