

# Tru Dot FIXED PISTOL SET SPRINGFIELD XDM G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is responding to users' needs, our TRU-DOT® models are available in various tritium dots color on the rear sight: Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight.

# Tru Dot Fixed Pistol Set Safety Instructions

## Introduction

Thank you for choosing the Tru Dot Fixed Pistol Set for your Springfield XDM. This guide provides essential safety instructions and guidelines to ensure the safe use of your night sights. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Always handle your firearm responsibly and with care.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect your sights for any signs of damage or wear.
- If you notice any defects or issues, discontinue use and consult a qualified professional.

## Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the sights.
- Avoid using the product in conditions that may compromise visibility or safety.
- Be aware of your surroundings and ensure that you have a clear line of sight when aiming.
- Use the sights only for their intended purpose; do not modify or alter them in any way.
- Follow all local laws and regulations regarding the use of firearms and related accessories.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove the existing front and rear sights from your Springfield XDM.
- Align the Tru Dot sights with the mounting points and secure them in place using the provided tools.
- Make minor adjustments as necessary to ensure proper alignment.

### 2. Usage

- Familiarize yourself with the sighting system before use.
- Practice aiming in various light conditions to understand the functionality of the Tru Dot sights.
- Always maintain a firm grip on your firearm when aiming and shooting.
- Use the three solid dots as your aiming reference, ensuring they are visible under all light conditions.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and firearm accessories.
- Do not incinerate or expose to extreme heat.
- If you are unsure about disposal methods, consult your local waste management authority for guidance.

## Contact Information for Further Support

For any questions or concerns regarding the Tru Dot Fixed Pistol Set, please reach out to the manufacturer or your retailer for assistance. They can provide further support and information regarding safety and product

usage.

## **Conclusion**

Following these safety instructions will help ensure a safe and effective experience with your Tru Dot Fixed Pistol Set. Always prioritize safety and responsible handling of your firearm. Thank you for your attention to these guidelines.
