[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot FIXED PISTOL SET H&K Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET H&K. This guide provides essential safety instructions to ensure the safe use and installation of your night sights. Please read this guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the product is installed correctly before use.
- Always handle firearms with care and treat them as if they are loaded.
- Use the Tru Dot sights only with compatible firearms.
- Regularly inspect the sights for any signs of damage or wear.
- Keep the product out of reach of children and unauthorized users.
- If you experience any issues with the product, discontinue use and seek assistance.

Specific Safety Precautions for Use

- Only use the Tru Dot sights in accordance with the manufacturer's instructions.
- Avoid exposing the sights to extreme temperatures or harsh chemicals, which may affect their performance.
- Do not attempt to modify or disassemble the sights, as this may compromise their safety and effectiveness.
- Always ensure that your firearm is pointed in a safe direction when installing or adjusting the sights.
- Be aware of your surroundings and ensure a clear line of sight when aiming at targets.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing front and rear sights using appropriate tools.
- Align the Tru Dot sights with the mounting points on your firearm.
- Securely attach the sights, following the manufacturer's specifications for tightening.
- Confirm that the sights are properly aligned and function correctly before use.

2. Usage:

- Familiarize yourself with the sighting system before engaging in shooting practice.
- Practice aiming both in daylight and lowlight conditions to understand the sight's capabilities.
- Always maintain proper shooting posture and grip when using your firearm.
- Regularly check the sights for proper alignment and visibility, especially before shooting sessions.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and hazardous waste.
- Do not throw the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Tru Dot FIXED PISTOL SET H&K, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your Tru Dot FIXED PISTOL SET H&K. Thank you for prioritizing safety in your use of this product.
