[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot Fixed Pistol Set Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot Fixed Pistol Set for your H&K 45, P30, VP9, or SFP9. This guide provides essential safety information, installation instructions, and usage guidelines to ensure that you can safely and effectively utilize your new sights.

General Safety Guidelines

- Ensure the product is compatible with your firearm model before installation.
- Always handle firearms with care and follow standard firearm safety practices.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sights for damage or wear.
- Do not modify the product beyond the recommended installation instructions.
- In case of any product malfunction, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- **Proper Use:** These sights are designed for use on specific handgun models. Verify compatibility before installation.
- **LowLight Conditions:** While the Tru Dot sights enhance visibility in lowlight conditions, always be aware of your environment and potential hazards.
- **Shooting Range Safety:** Follow all shooting range rules and regulations. Ensure that you are in a safe area when practicing with your firearm.
- **Awareness of Surroundings:** Always be mindful of your surroundings and ensure a clear line of sight when aiming and shooting.
- **Regular Maintenance:** Clean and maintain your sights regularly to ensure optimal performance.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and safe to handle.
- Remove the existing front and rear sights using appropriate tools.
- Align the Tru Dot sights with the mounting points on your firearm.
- Secure the sights in place with minor modifications if necessary, following the manufacturer's guidelines.
- Verify that the sights are properly aligned and securely attached.

2. Usage:

- Familiarize yourself with the sighting system. The Tru Dot models feature three solid dots for aiming.
- Practice aiming in both daylight and lowlight conditions to become accustomed to the sighting reference.
- Adjust your grip and stance as necessary to ensure proper alignment with the sights.
- Regularly practice shooting to improve accuracy and confidence.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous materials.
- Do not throw the product in regular household waste.
- Contact local waste management authorities for guidance on safe disposal methods.

Contact Information for Further Support

For any inquiries or further assistance regarding the Tru Dot Fixed Pistol Set, please refer to the manufacturer's website or contact your local dealer for support.

By following these guidelines and instructions, you can ensure a safe and effective experience with your Tru Dot Fixed Pistol Set. Always prioritize safety and responsible firearm handling.
