

Tru Dot FIXED PISTOL SET S&W M&P SHIELD G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot FIXED PISTOL SET S&W M&P SHIELD G/G Safety Instructions

Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET S&W M&P SHIELD G/G by MEPROLIGHT. This product is designed to enhance your shooting accuracy under various lighting conditions. To ensure your safety and the safety of others, please read this guide carefully before installation and use.

General Safety Guidelines

- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store firearms and ammunition securely, away from children and unauthorized users.
- Use only the appropriate ammunition for your firearm.
- Always wear eye and ear protection when shooting.
- Do not modify the firearm or its components without consulting a qualified gunsmith.
- Always follow the manufacturer's instructions for installation and use.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing the Tru Dot sights.
- Do not attempt to install or adjust the sights while the firearm is loaded.
- Check the sights for proper alignment and secure attachment before each use.
- Always verify that the sights are functioning correctly after installation.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid using the firearm in conditions where visibility is severely limited unless you are trained to do so.

Instructions for Installation and Usage

Installation Instructions

1. Preparation

- Ensure the firearm is unloaded.
- Gather necessary tools: a screwdriver and any other required installation tools.

2. Remove Existing Sights

- Carefully remove the existing front and rear sights from the firearm.
- Follow the manufacturer's instructions for your specific firearm model.

3. Install Tru Dot Sights

- Align the rear sight with the sight dovetail on the slide.
- Secure the rear sight using the provided screws, ensuring it is tight and properly aligned.
- Repeat the process for the front sight, ensuring it is aligned and secured.

4. Final Check

- After installation, check the alignment of both sights.
- Ensure that there are no obstructions and that the sights are securely fastened.

Usage Instructions

- When aiming, focus on the three solid dots of the Tru Dot sight system.
- Practice shooting in both daylight and lowlight conditions to become familiar with the sighting system.
- Regularly check the sights for any signs of wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- For tritium sights, consult local hazardous waste disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the Tru Dot FIXED PISTOL SET S&W M&P SHIELD G/G, please refer to the official MEPROLIGHT website or contact your local authorized dealer for assistance.

By following these safety instructions, you can ensure a safer shooting experience while maximizing the performance of your Tru Dot sights. Thank you for your attention to these important guidelines.
