

Tru Dot FIXED PISTOL SET S&W SIGMA,SDVE G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot Fixed Pistol Set S&W Sigma, SDVE G/G Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot Fixed Pistol Set for your Smith & Wesson Sigma, SDVE. This guide provides important safety information and instructions to ensure safe and effective use of your night sights. Please read this guide carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Tru Dot Fixed Pistol Set by following all instructions provided. This product is designed for nonfood use and should not be used for any other purpose.
- **Enhanced Recalls:** In the event of product recalls, you will be notified through standardized notices. Ensure you stay informed about any potential recalls related to this product.
- **Online Shopping:** If purchased online, the same safety protections apply as if purchased in a physical store. Ensure your online platform meets safety requirements.
- **Special Consumer Focus:** Extra care should be taken when handling this product around vulnerable groups, such as children. Keep the product out of reach of children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for this product.
- **Rapid Alerts:** Stay informed about any updates on unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation:** Ensure that the sights are installed correctly to avoid accidents during use. Follow installation instructions carefully.
- **Handling:** Always treat your firearm as if it is loaded. Keep the muzzle pointed in a safe direction at all times.
- **Visibility:** The Tru Dot sights are designed for visibility in various lighting conditions. Ensure you are familiar with how they function in both daylight and lowlight situations.
- **Maintenance:** Regularly check the sights for any signs of damage or wear. Replace them if any issues are detected.
- **Training:** Familiarize yourself with your firearm and the Tru Dot sights through proper training and practice. Seek professional instruction if necessary.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing front and rear sights from your firearm.
- Align the Tru Dot sights in the mounting slots.
- Secure the sights using the appropriate tools, ensuring they are tightly fitted.
- Make minor modifications if necessary, as per the manufacturer's guidelines.

2. Usage:

- Familiarize yourself with the aiming reference of the Tru Dot sights, which consist of three solid dots.
- Practice aiming with the sights in various lighting conditions to become proficient.
- Always ensure you have a proper grip and stance when aiming and firing.

Disposal Instructions

- Dispose of any damaged or worn sights in accordance with local regulations.
- Do not dispose of the product in regular household waste. Follow your local guidelines for hazardous waste disposal if applicable.

Contact Information for Further Support

For any additional questions or support regarding the Tru Dot Fixed Pistol Set, please refer to the designated EU contact point for this product. Ensure you have your purchase information available for any inquiries.

By following these safety instructions, you can ensure a safe and effective experience with your Tru Dot Fixed Pistol Set. Always prioritize safety and be aware of your surroundings when handling firearms. Thank you for your attention to these important guidelines.
