

# Tru Dot FIXED PISTOL SET PARA LDA LDA(PRE 2007) G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is responding to users' needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

# Tru Dot FIXED PISTOL SET PARA LDA LDA (PRE 2007) G/G Safety Instruction Guide

## Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET PARA LDA LDA (PRE 2007) G/G. This product is designed to enhance your shooting accuracy under various lighting conditions. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide. Your safety is our priority.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the Tru Dot sights by following all instructions. Improper use can lead to accidents or injuries.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. If a recall is issued, follow the instructions provided for returning or remedying the product.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on safety recalls or alerts related to this product.

## Specific Safety Precautions for Use

- **Proper Training:** Ensure that you are trained in the safe handling and operation of firearms before using this product.
- **Inspect Before Use:** Always inspect the Tru Dot sights before installation and use. Check for any signs of damage or defects.
- **Installation:** Follow the installation instructions carefully to avoid improper mounting, which could lead to malfunction.
- **Avoid Modifications:** Do not modify the product in any way. Unauthorized alterations can compromise safety and performance.
- **Use in Appropriate Conditions:** Use this product only in suitable environments. Avoid extreme temperatures, moisture, or conditions that could affect visibility.
- **Regular Maintenance:** Clean and maintain the sights regularly to ensure optimal performance and safety.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front and rear sights according to the firearm's manual.
- Align the Tru Dot sights with the mounting slots on the firearm.
- Secure the sights in place using the provided screws, ensuring they are tightened adequately but not overtightened.
- Verify that the sights are securely mounted before use.

### 2. Usage:

- Familiarize yourself with the sighting system. The Tru Dot sights feature three solid dots for aiming.
- Practice using the sights in varying light conditions to become accustomed to their performance.

- Always maintain proper firearm handling practices while using the Tru Dot sights.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic waste and hazardous materials.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer functional, consult local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Tru Dot FIXED PISTOL SET PARA LDA LDA (PRE 2007) G/G, please refer to the designated EU contact point for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your Tru Dot sights responsibly!
