

## Tru Dot FIXED PISTOL SET KAHR ARMS (PRE NOV 2004) G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

# Tru Dot FIXED PISTOL SET KAHR ARMS (PRE NOV 2004) G/G Safety Instructions

## Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET by Meprolight. This guide provides important safety instructions and information regarding the proper use, installation, and disposal of your product. Please read this document carefully to ensure safe handling and operation.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before installing or using the Tru Dot sights.
- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Keep the firearm pointed in a safe direction at all times.
- Store your firearm and accessories securely to prevent unauthorized access, especially from children.
- Use only the recommended tools and methods for installation to avoid damaging the product or firearm.
- Regularly inspect the sights for any signs of wear or damage and replace them if necessary.
- Report any unsafe products or accidents to the appropriate authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- The Tru Dot sights are designed for adult use only. Ensure that children are supervised and educated about firearm safety.
- Avoid using the sights in extremely low light conditions where visibility is significantly impaired.
- Do not attempt to modify the sights or the firearm in any way that is not recommended by the manufacturer.
- Ensure that the sights are properly secured to the firearm before use to prevent any accidental detachment during operation.
- Be aware of your surroundings and ensure that your target is clearly identified before firing.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before beginning the installation process.
- Remove the existing front and rear sights according to the firearm's manual.
- Align the Tru Dot sights with the mounting points on your firearm.
- Secure the sights in place using the appropriate screws or fasteners provided with the product.
- Check that the sights are firmly attached and properly aligned.

### 2. Usage:

- Familiarize yourself with the aiming system of the Tru Dot sights.
- Practice aiming with the sights in a safe and controlled environment.
- Adjust your shooting stance and grip as needed to accommodate the sighting system.
- Use the sights during both day and night conditions for optimal performance.
- Regularly clean the sights to maintain visibility and function.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the Tru Dot sights become damaged or are no longer usable, dispose of them in a manner that prevents environmental harm.
- Do not throw away the product in regular household waste. Instead, check for local recycling programs that accept electronic components.

## **Contact Information for Further Support**

For any further inquiries or support regarding the Tru Dot FIXED PISTOL SET, please refer to the manufacturer's official website or contact their customer service.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority. Enjoy using your Tru Dot sights responsibly.
