[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot Fixed Pistol Set Safety Instructions

Introduction

Thank you for choosing the Tru Dot Fixed Pistol Set by Meprolight. This product is designed to enhance your shooting accuracy under various lighting conditions. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm and its components before using the Tru Dot sights.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store your firearm and sights in a secure location, out of reach of children and unauthorized users.
- Use the sights only on firearms for which they are designed.
- Inspect the sights regularly for any signs of damage or wear.
- If you notice any issues, cease use immediately and consult a professional.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Ensure your firearm is unloaded before installation.
 - Use appropriate tools to avoid damaging the sights or firearm.
- **Shooting Safety:**
 - Always wear appropriate eye and ear protection while shooting.
 - Be aware of your surroundings and ensure a safe shooting environment.
- **Maintenance Safety:**
 - Clean the sights according to the manufacturer's instructions to maintain optimal performance.
 - Avoid using harsh chemicals that may damage the sights.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing front and rear sights using the appropriate tools.
- Align the Tru Dot sights with the mounting points on the firearm.
- Secure the sights in place, ensuring they are firmly attached.
- Check alignment and make any necessary adjustments.

2. Usage:

- Familiarize yourself with the sight picture provided by the Tru Dot sights.
- Practice aiming in various lighting conditions to understand how the sights perform.
- Adjust your shooting technique as necessary to accommodate the sight system.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the Tru Dot Fixed Pistol Set, please refer to the manufacturer's website or contact your local retailer for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your Tru Dot Fixed Pistol Set. Always remember to prioritize safety and responsible firearm handling. Thank you for your attention to these guidelines.
