

## Tru Dot FIXED PISTOL SET CZ P01 G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

# Tru Dot FIXED PISTOL SET CZ P01 G/G Safety Instruction Guide

## Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET CZ P01 G/G by MEPROLIGHT. This guide provides essential safety information and instructions to ensure the safe use of your night sights. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure safe use of the Tru Dot FIXED PISTOL SET under all conditions.
- Be aware of potential hazards associated with firearm accessories.
- Always follow local laws and regulations regarding firearms and their accessories.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for product recalls or safety alerts through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the Tru Dot FIXED PISTOL SET with compatible firearms (CZ P01).
- Ensure that your firearm is unloaded before installing or handling the sights.
- Do not attempt to modify the sights in any way that is not recommended by the manufacturer.
- Use the sights only in accordance with the manufacturer's instructions.
- Be cautious when using your firearm in lowlight conditions; ensure that you are trained and familiar with the use of night sights.
- If you notice any damage or malfunction in the sights, discontinue use immediately and consult a qualified professional.

## Instructions for Installation and Usage

### Installation Instructions

1. **Prepare Your Firearm:** Ensure that your CZ P01 is unloaded and pointed in a safe direction.
2. **Remove Existing Sights:** Use appropriate tools to carefully remove the existing front and rear sights from your firearm.
3. **Install Tru Dot Sights:**
  - Align the front sight with the mounting slot on the slide and press it into place.
  - Secure the rear sight in the same manner, ensuring it is aligned correctly.
4. **Check Alignment:** Confirm that both sights are properly aligned and securely attached.
5. **Test Functionality:** Before using your firearm, check the sights for proper function by aiming at a target in both day and night conditions.

### Usage Instructions

- **Aiming:** Use the three solid dots (two on the rear sight and one on the front sight) for instinctive aiming.
- **LowLight Conditions:** The selfilluminated tritium dots will provide visibility in lowlight situations. Practice using the sights in various lighting conditions to become familiar with their performance.
- **Regular Maintenance:** Clean the sights regularly to ensure optimal performance and visibility.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and hazardous materials.
- Do not dispose of the sights in regular household waste.

- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or further assistance, please refer to the contact information provided on the product packaging or visit the MEPROLIGHT website.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Tru Dot FIXED PISTOL SET CZ P01 G/G. Always prioritize safety and responsible use of your firearm and its accessories.
