

Tru Dot FIXED PISTOL SET CZ 75/85/97/SP01 G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot FIXED PISTOL SET CZ 75/85/97/SP01 G/G

Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET CZ 75/85/97/SP01 G/G by MEPROLIGHT®. This guide provides essential safety instructions to ensure the safe use and handling of your night sights. Please read this document carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the product is installed and used in accordance with the manufacturer's instructions.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm securely and out of reach of children and unauthorized users.
- Regularly inspect the night sights for any signs of damage or wear.
- Do not use the night sights if they are damaged or malfunctioning.
- Follow all local laws and regulations regarding firearm safety and usage.

Specific Safety Precautions for Use

- Use only with compatible firearm models (CZ 75, 85, 97, SP01).
- Ensure that the firearm is unloaded before installing or adjusting the night sights.
- Do not attempt to modify the night sights beyond the manufacturer's specifications.
- Be aware that lowlight conditions may affect your perception and reaction times.
- Always practice safe shooting techniques, especially when using night sights in lowlight environments.
- Be cautious when transitioning from day to night use to avoid disorientation.

Instructions for Installation and Usage

Installation

1. Prepare the Firearm:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing front and rear sights according to the firearm's manual.

2. Mount the Night Sights:

- Align the Tru Dot® sights with the sight dovetails on the firearm.
- Use minor modifications if necessary, as per the manufacturer's installation guidelines.
- Secure the sights in place using the appropriate screws or tools.

3. Check Alignment:

- Verify that the sights are aligned correctly before use.
- Make any necessary adjustments to ensure accuracy.

Usage

• Daylight Use:

- The Tru Dot® sights provide a clear aiming reference with three solid dots.

- Ensure visibility and alignment before taking a shot.
- **LowLight and Nighttime Use:**
 - The selfilluminated tritium dots will glow in lowlight conditions.
 - Maintain focus on the target while aligning the sights.
- **Maintenance:**
 - Regularly clean the sights with a soft cloth to remove any dirt or debris.
 - Avoid using harsh chemicals that may damage the sights.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and firearm accessories.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.
