

# Tru Dot FIXED PISTOL SET IWI BABY EAGLE(POST 2007) G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

# Tru Dot FIXED PISTOL SET IWI BABY EAGLE Safety Instruction Guide

## Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET IWI BABY EAGLE. This safety instruction guide is designed to ensure the safe and effective use of your new sight set. Please read this guide carefully to understand the safety precautions, installation instructions, and proper use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the Tru Dot sight set by following the instructions provided. This product is designed for nonfood use and adheres to EU safety standards.
- **Enhanced Recalls:** Be aware that in the event of a safety issue, standardized recall notices will be issued. You may be entitled to free remedies for any identified dangerous products.
- **Online Shopping Protections:** If you purchased this product online, you have the same safety protections as those who purchased in physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Stay informed about product safety updates by checking the EU's Safety Gate platform for rapid alerts on unsafe products.

## Specific Safety Precautions for Use

- **Hazard Identification:** Improper installation or use of the Tru Dot sight set may lead to reduced accuracy or safety hazards.
- **Avoiding Hazards:**
  - Ensure the firearm is unloaded before installing the sight set.
  - Do not attempt to modify the sight set beyond the recommended minor modifications.
  - Use the sight set only with compatible firearms as specified by the manufacturer.
  - Regularly inspect the sight set for any signs of wear or damage before use.
- **Age Specific Warnings:** This product is intended for use by adults only. Do not allow minors to handle or use this product.

## Instructions for Installation and Usage

### 1. Installation Instructions:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing front and rear sights from your firearm according to the manufacturer's instructions.
- Align the Tru Dot sight set with the mounting points on your firearm.
- Secure the sights in place using the appropriate tools, ensuring they are firmly attached.
- If minor modifications are required for installation, refer to the manufacturer's guidelines for safe practices.

### 2. Usage Instructions:

- Familiarize yourself with the sighting system before use. The Tru Dot sights provide a threedot aiming reference.
- Practice aiming in various light conditions to understand how the sights perform under different

- circumstances.
- Regularly clean the sights to maintain visibility and effectiveness.

## **Disposal Instructions**

- Dispose of the Tru Dot sight set in accordance with local regulations regarding electronic waste and firearm accessories.
- Do not dispose of the product in regular household waste. Check for designated recycling centers or hazardous waste disposal facilities in your area.

## **Contact Information for Further Support**

For further assistance, please refer to the manufacturer's website or contact the designated EU contact point for safety inquiries. Ensure you have your product information available for any inquiries.

Thank you for choosing the Tru Dot FIXED PISTOL SET IWI BABY EAGLE. By following these safety guidelines and instructions, you can ensure a safe and effective experience with your new sight set.
