

Tru Dot FIXED PISTOL SET IWI MASADA G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot FIXED PISTOL SET IWI MASADA G/G

Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET IWI MASADA G/G by MEPROLIGHT®. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a sighting system for handguns.
- Always handle firearms with care and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sighting system for any signs of damage or wear. If damage is found, cease use immediately.
- Store the product in a safe and dry location when not in use to prevent damage.

Specific Safety Precautions for Use

- Do not attempt to modify the product in any way that is not specified in the installation instructions.
- Always ensure that the firearm is unloaded before installing or adjusting the sights.
- Use appropriate eye protection when using firearms equipped with the Tru Dot sights.
- Be aware of your surroundings and ensure that you have a clear and safe target before aiming and firing.
- Avoid using the product in conditions where visibility is severely impaired, as this may affect accuracy.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front and rear sights from the firearm according to the manufacturer's instructions.
- Align the Tru Dot sights with the mounting points on the firearm.
- Securely attach the front and rear sights using the provided hardware, ensuring they are tightened to prevent movement during use.
- Check alignment and adjust if necessary to ensure proper sighting.

2. Usage:

- Familiarize yourself with the sighting system by practicing in a safe and controlled environment.
- When aiming, ensure that the three solid dots are aligned properly for accurate targeting.
- Practice transitioning between day and night use to become accustomed to the sighting system's performance in varying light conditions.
- Regularly check the functionality of the tritium dots to ensure they are illuminated properly.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and hazardous waste.
- Do not throw the product in regular household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please reach out to your local distributor or manufacturer support team. Ensure that you have the product information ready for reference.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Tru Dot FIXED PISTOL SET IWI MASADA G/G. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
