[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night Suppressor sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users' needs, our TRU-DOT® Suppressor is designed to fit suppressor-equipped handguns models and is available in various color combinations of tritium dots on the rear sight (green/orange/yellow for selected models) and green tritium dot on the front sight.

MEPRO Tru Dot SUPPRESSOR HIGHT SIGHTS

Safety Instruction Guide

Introduction

Thank you for choosing the MEPRO Tru Dot SUPPRESSOR HIGHT SIGHTS. This product is designed to enhance your shooting experience by providing improved visibility in various lighting conditions. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified by the manufacturer.
- Always handle firearms and accessories with care and respect.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear.
- Report any unsafe conditions or incidents involving this product to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure your firearm is unloaded before installing or adjusting the sights.
- Use protective eyewear when handling firearms.
- Do not attempt to modify the sights beyond the manufacturer's specifications.
- Avoid using the sights in extreme environmental conditions that could affect their performance.
- Be cautious when using the sights in lowlight conditions; ensure you are familiar with your firearm's operation.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front and rear sights according to the firearm's manual.
- Install the MEPRO Tru Dot sights by aligning them with the mounting points.
- Secure the sights using the appropriate tools, ensuring they are firmly in place.

2. Usage

- Familiarize yourself with the sight picture by practicing at a safe shooting range.
- For daylight use, align the three solid dots to acquire your target quickly.
- In lowlight or nighttime conditions, the tritium dots will illuminate, allowing for accurate aiming.
- Regularly check the alignment and visibility of the sights to ensure optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and hazardous materials.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer functional, take it to a certified recycling center.

Contact Information for Further Support

For any questions or concerns regarding the MEPRO Tru Dot SUPPRESSOR HIGHT SIGHTS, please consult the manufacturer's website or contact their customer support for assistance. Ensure that you have the product details ready for reference.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MEPRO Tru Dot SUPPRESSOR HIGHT SIGHTS. Thank you for your attention to safety and compliance.
