

Tru Dot R4E PISTOL SET GLOCK ALL MODELS - Tru Dot R4E PISTOL SET GLOCK ALL MODELS G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users' needs, our Mepro Tru-Dot® R4E models are available in various tritium color combinations of green and orange (3 lines on the rear sight and 1 dot on the front sight) with colored white line on the front sight below the dot.

Tru Dot R4E Pistol Set Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot R4E Pistol Set for Glock models. This guide provides important safety information, usage instructions, and disposal guidelines to ensure safe and effective use of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

To ensure your safety and the safety of others, please follow these general safety guidelines:

- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Be aware of your surroundings and ensure that your target and what lies beyond it are safe.
- Ensure that the Tru Dot R4E sights are installed correctly and securely before use.
- Regularly check the sights for any damage or wear.
- Store your firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm use and storage.

Specific Safety Precautions for Use

When using the Tru Dot R4E Pistol Set, please consider the following precautions:

- Avoid using the sights in extreme temperatures or conditions that may affect their performance.
- Do not attempt to modify or disassemble the sights, as this may compromise their integrity and safety.
- Ensure that the sights are compatible with your specific Glock model before installation.
- If you notice any irregularities or malfunctions while using the sights, discontinue use immediately and seek professional assistance.

Instructions for Installation and Usage

Follow these steps for proper installation and usage of the Tru Dot R4E Pistol Set:

Installation Steps

1. **Gather Required Tools:** Ensure you have the necessary tools for installation, such as a sight tool or appropriate screwdriver.
2. **Remove Existing Sights:** Carefully remove the existing front and rear sights from your Glock using the appropriate tools.
3. **Clean the Sight Mounts:** Wipe the sight mounts with a clean cloth to remove any debris or residue.
4. **Install the Rear Sight:** Align the Tru Dot R4E rear sight with the rear sight mount and press it into place. Ensure it is seated securely.
5. **Install the Front Sight:** Align the Tru Dot R4E front sight with the front sight mount and press it into place. Ensure it is seated securely.
6. **Check Alignment:** Verify that both sights are aligned correctly for optimal aiming.
7. **Secure the Sights:** If applicable, use any screws or locking mechanisms to secure the sights in place.

Usage Instructions

- **Aiming:** Use the three solid dots as your aiming reference. The rear sight features two dots, while the front sight has one dot.
- **Day and Night Use:** The Tru Dot R4E sights are designed for both day and night conditions. The selfilluminated feature ensures visibility in lowlight environments.
- **Practice:** Regular practice is essential for improving your accuracy and comfort with the sights.

Disposal Instructions

When it comes time to dispose of your Tru Dot R4E Pistol Set, please follow these guidelines:

- Dispose of the product in accordance with local regulations regarding electronic waste and firearm accessories.
- If the sights are damaged or no longer usable, consider contacting a local waste management facility for proper disposal methods.
- Do not throw the sights in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the Tru Dot R4E Pistol Set, please refer to the manufacturer's website or contact their customer support for assistance. Ensure you have the product information readily available for a more efficient response.

Thank you for choosing the Tru Dot R4E Pistol Set. Your safety is our priority. Enjoy your enhanced shooting experience!
