[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users' needs, our Mepro Tru-Dot® R4E models are available in various tritium color combinations of green and orange (3 lines on the rear sight and 1 dot on the front sight) with colored white line on the front sight below the dot.

Tru Dot R4E Pistol Set Safety Instructions

Introduction

Thank you for choosing the Tru Dot R4E Pistol Set for your Glock. This product is designed to enhance your shooting experience with improved visibility and accuracy under various lighting conditions. Please read these safety instructions carefully to ensure safe and effective use of your new sights.

General Safety Guidelines

- Ensure that your firearm is always handled safely. Treat every gun as if it is loaded.
- Always keep the firearm pointed in a safe direction.
- Store your firearm and ammunition securely and out of reach of children.
- Use only the specified parts and accessories with your firearm to prevent malfunctions.
- Regularly inspect your sights for wear or damage before use.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Only use the Tru Dot R4E sights with Glock models as specified.
- Do not attempt to modify the sights beyond the recommended installation procedures.
- Avoid using the sights in extreme environmental conditions (e.g., heavy rain, extreme heat) without proper maintenance.
- If you notice any unusual behavior or malfunction in your firearm while using the sights, discontinue use immediately and consult a qualified gunsmith.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing front and rear sights from your Glock according to the manufacturer's instructions.
3. Align the Tru Dot R4E sights with the sight dovetails on your Glock.
4. Securely fasten the sights in place. Minor modifications may be needed for proper fit.
5. Confirm that the sights are stable and securely attached before attempting to use the firearm.

Usage

- Familiarize yourself with the sight alignment and aiming reference using the three solid dots.
- Practice shooting in both daylight and lowlight conditions to become accustomed to the sighting system.
- Regularly check the sights for cleanliness and functionality, ensuring that they remain free of obstructions.

Disposal Instructions

- Dispose of any damaged or nonfunctional sights in accordance with local regulations.
- If you are unsure how to dispose of the product safely, consult local waste management authorities for guidance.

Contact Information for Further Support

For any questions or concerns regarding the Tru Dot R4E Pistol Set, please refer to the product packaging or visit the manufacturer's website for additional support and resources.

By following these safety instructions, you can ensure a safe and enjoyable shooting experience with your Tru Dot R4E sights. Thank you for choosing our product, and always prioritize safety in your shooting practices.
