[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is responding to users' needs, our Mepro Tru-Dot® R4E models are available in various tritium color combinations of green and orange (3 lines on the rear sight and 1 dot on the front sight) with colored white line on the front sight below the dot.

## Safety Instruction Guide

### Introduction

Thank you for choosing the Tru Dot R4E Pistol Set for Glock All Models. This guide provides important safety information and instructions for the proper use and installation of your new night sights. Please read this guide carefully to ensure safe and effective use of the product.

### General Safety Guidelines

- Ensure that the product is suitable for your specific Glock model before installation.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Use the Tru Dot R4E sights only for their intended purpose as specified in this guide.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear. If any damage is found, discontinue use immediately and seek advice.
- Report any unsafe products or incidents to the relevant authorities.

### Specific Safety Precautions for Use

- Do not attempt to modify the sights beyond the recommended installation procedures.
- Ensure that your firearm is unloaded before installing or adjusting the sights.
- Always use appropriate eye protection when handling firearms and during installation.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.
- Avoid using the sights in conditions that may impair your ability to aim accurately, such as extreme weather or poor visibility.

### Instructions for Installation and Usage

#### Installation Instructions

##### 1. Preparation:

- Ensure that your firearm is unloaded.
- Gather necessary tools, including a sight pusher or appropriate screwdriver.

##### 2. Removing Existing Sights:

- Use a sight pusher or screwdriver to carefully remove the existing front and rear sights from your Glock.

##### 3. Installing Tru Dot R4E Sights:

- Align the Tru Dot R4E rear sight with the rear dovetail on your Glock and gently press it into place.
- Align the front sight with the front dovetail and press it into place as well.
- Ensure both sights are secure and properly aligned.

##### 4. Final Check:

- Verify that the sights are correctly positioned and tightened.
- Test the functionality by aiming at a target in a safe environment.

## **Usage Instructions**

- When aiming, align the three solid dots of the Tru Dot R4E sights for improved accuracy.
- Practice regularly in various lighting conditions to become familiar with the sighting system.
- Always maintain a safe shooting posture and follow firearm safety protocols.

## **Disposal Instructions**

- Dispose of any damaged or worn sights in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For additional support or inquiries regarding safety and usage of the Tru Dot R4E Pistol Set, please refer to your retailer or manufacturer's website for contact details.

By following these guidelines, you can ensure the safe and effective use of your Tru Dot R4E Pistol Set. Thank you for prioritizing safety and responsible firearm handling.
