[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users' needs, our Mepro Tru-Dot® R4E models are available in various tritium color combinations of green and orange (3 lines on the rear sight and 1 dot on the front sight) with colored white line on the front sight below the dot.

# Tru Dot R4E Pistol Set 1911 Safety Instructions

## Introduction

Thank you for choosing the Tru Dot R4E Pistol Set 1911. This product is designed to enhance your shooting experience with improved visibility in lowlight conditions. To ensure safe usage and compliance with European safety regulations, please read this safety instruction guide carefully before using the product.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that you are in a safe environment when handling your firearm.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the Tru Dot R4E Pistol Set for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm usage and safety.

## Specific Safety Precautions for Use

- Ensure that the Tru Dot R4E sights are properly installed and securely mounted before use.
- Do not attempt to modify or alter the sights beyond the provided instructions.
- Use only compatible firearms as specified in the product documentation.
- Avoid using the sights in extreme environmental conditions that may impair their function.
- If you notice any malfunction or unusual behavior while using the sights, stop using them immediately and consult a qualified professional.

## Instructions for Installation and Usage

### Installation

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Remove the existing sights from the firearm, following the manufacturer's instructions.
3. Align the Tru Dot R4E sights with the mounting points on the firearm.
4. Securely fasten the sights in place, ensuring they are properly aligned.
5. Check the installation by ensuring the sights are stable and do not move when touched.

### Usage

- Familiarize yourself with the sighting system before engaging in live fire exercises.
- Use the Tru Dot® sights during both day and night conditions for optimal performance.
- Practice aiming with the sights in various lighting conditions to become accustomed to their function.
- Always wear appropriate eye and ear protection when using firearms.

## Disposal Instructions

- Dispose of the Tru Dot R4E Pistol Set in accordance with local regulations regarding electronic waste and firearm accessories.
- If the product is no longer usable, ensure it is securely stored until proper disposal can be arranged.
- Avoid throwing the product in regular trash bins to prevent environmental harm.

## Contact Information for Further Support

For any questions or concerns regarding the Tru Dot R4E Pistol Set 1911, please consult the product documentation or reach out to the appropriate support channels provided by the manufacturer.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your Tru Dot R4E Pistol Set 1911. Always prioritize safety and compliance with local laws when handling firearms. Thank you for your attention to these important guidelines.
