[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users' needs, our Mepro Tru-Dot® R4E models are available in various tritium color combinations of green and orange (3 lines on the rear sight and 1 dot on the front sight) with colored white line on the front sight below the dot.

# Tru Dot R4E Pistol Set Safety Instruction Guide

## Introduction

Thank you for choosing the Tru Dot R4E Pistol Set. This guide provides important safety instructions and information to ensure the safe use, installation, and disposal of your product. Please read this guide carefully before use to familiarize yourself with the safety precautions and proper handling of the Tru Dot R4E Pistol Set.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before installing or using the Tru Dot R4E Pistol Set.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and the Tru Dot R4E Pistol Set in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the sights for any damage or wear that may affect their performance.
- Follow all local laws and regulations regarding firearm use and modification.

## Specific Safety Precautions for Use

- Only use the Tru Dot R4E Pistol Set with compatible 1911 models.
- Avoid using the sights in extreme environmental conditions, such as heavy rain or extreme temperatures, without proper precautions.
- Do not attempt to modify or disassemble the Tru Dot R4E Pistol Set.
- If you experience any issues with the sights, cease use immediately and consult a qualified gunsmith or the manufacturer for assistance.
- Ensure that you are wearing appropriate eye protection while handling firearms.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your firearm is unloaded.
- Gather necessary tools for installation (e.g., screwdriver, gun oil).

### 2. Installation Steps

- Remove the existing front and rear sights from your 1911.
- Clean the sight mounting areas to ensure proper fit.
- Align the Tru Dot R4E sights with the mounting holes.
- Secure the sights in place using the provided screws.
- Test the stability of the sights to ensure they are firmly attached.

### 3. Usage Instructions

- When aiming, ensure the three solid dots are aligned for accurate targeting.
- Practice in both daylight and lowlight conditions to become familiar with the sighting system.
- Regularly check the alignment of the sights after use.

## Disposal Instructions

- Dispose of the Tru Dot R4E Pistol Set in accordance with local regulations regarding electronic and hazardous waste.

- Do not dispose of the product in regular household waste.
- Contact your local waste disposal facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Tru Dot R4E Pistol Set, please reach out to the manufacturer or a qualified firearms expert. Ensure that you have the product details and any relevant information ready for assistance.

By following these guidelines, you can help ensure your safety and the proper functioning of the Tru Dot R4E Pistol Set. Remember to always prioritize safety and responsible firearm handling.
