

# MEPRO Tru Dot ADJUSTABLE SIGHTS - Tru Dot ADJ. PISTOL SET GLOCK ALL MODELS G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated adjustable night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated adjustable day/night sights. TRU-DOT® adjustable models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated adjustable night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® adjustable sights are perfect for daylight, low-light, and nighttime conditions.

# Safety Instruction Guide for MEPRO Tru Dot Adjustable Sights

## Introduction

Thank you for choosing the MEPRO Tru Dot Adjustable Sights for your Glock. These sights are designed to enhance your shooting accuracy under various lighting conditions. This guide provides important safety instructions to ensure the safe and effective use of this product. Please read and follow the instructions carefully.

## General Safety Guidelines

- Ensure safe use of the product by following all instructions provided.
- Be aware of the potential risks associated with using sights on firearms.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any recalls or safety alerts related to this product on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always verify that your firearm is unloaded before installing or adjusting the sights.
- Use the sights only on compatible Glock models as specified.
- Avoid using the sights in conditions where visibility is severely compromised.
- Do not attempt to modify or repair the sights beyond the manufacturer's recommendations.
- Ensure that the sights are securely mounted before use to prevent them from becoming loose during operation.
- If you experience any issues with the sights, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### Installation

1. **Gather Tools:** Ensure you have the necessary tools for installation, such as a screwdriver.
2. **Unload Firearm:** Confirm that your Glock is completely unloaded.
3. **Remove Existing Sights:** Carefully remove the current front and rear sights from the firearm.
4. **Install New Sights:**
  - Align the new Tru Dot Adjustable Sights with the mounting points.
  - Secure the sights using the appropriate screws, ensuring they are tightly fastened.
5. **Check Alignment:** Verify that the sights are properly aligned before use.

### Usage

- When aiming, focus on the three solid dots of the Tru Dot sight system for improved accuracy.
- Practice regularly in both daylight and lowlight conditions to become familiar with the sighting system.
- Always be aware of your surroundings and ensure a safe shooting environment.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the product is no longer in use, follow local guidelines for disposing of firearm accessories.
- Do not dispose of the product in regular household waste; check for designated disposal facilities.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the MEPRO Tru Dot Adjustable Sights, please refer to the manufacturer's contact information provided on the packaging or product documentation. It is important to have access to support for any safetyrelated questions.

Thank you for taking the time to read this safety instruction guide. Your safety and the safety of others are of utmost importance. Enjoy using your MEPRO Tru Dot Adjustable Sights responsibly.
