

# MEPRO Tru Dot ADJUSTABLE SIGHTS - Tru Dot ADJ.AD COM PISTOL SET GLOCK ALL MODELS G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated adjustable night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated adjustable day/night sights. TRU-DOT® adjustable models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated adjustable night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® adjustable sights are perfect for daylight, low-light, and nighttime conditions.

# MEPRO Tru Dot Adjustable Sights Safety Instruction Guide

## Introduction

Thank you for choosing the MEPRO Tru Dot Adjustable Sights. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your new sighting system. Please read this document carefully before use to maximize your safety and performance.

## General Safety Guidelines

- Ensure that the product is used in accordance with all applicable laws and regulations.
- Always treat your firearm as if it is loaded, and never point it at anything you do not intend to shoot.
- Keep the sights and firearm clean and wellmaintained to ensure optimal performance.
- Be aware of your surroundings and ensure a safe shooting environment.
- Store the product in a safe place, away from children and unauthorized users.
- Regularly check for any recalls or safety updates related to the product.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection while shooting.
- Do not modify the sights or firearm in any way that may compromise safety.
- Ensure that the sights are properly installed before use. Check for secure mounting.
- Avoid using the sights in extreme temperatures or harsh conditions that may affect performance.
- Be cautious when using the sights in lowlight conditions; ensure you are familiar with their operation.
- If you experience any issues with the sights, cease use immediately and consult a qualified professional.

## Instructions for Installation and Usage

### Installation

#### 1. Tools Required:

- Appropriate screwdriver for sight adjustment.
- Torque wrench (if necessary).

#### 2. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front and rear sights according to the manufacturer's instructions.
- Align the MEPRO Tru Dot Adjustable Sights with the mounting points on the firearm.
- Securely fasten the sights in place, ensuring they are aligned properly.
- Check for tightness and stability before use.

### Usage

- **Daylight Use:** The TruDot® sights are designed for visibility in daylight. Align the three solid dots for accurate aiming.
- **LowLight Use:** The selfilluminated feature allows for effective targeting in lowlight conditions. Ensure that the sights are clean for optimal illumination.
- **Nighttime Use:** The sights provide a consistent aiming reference. Familiarize yourself with the sight picture in lowlight conditions before use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact local recycling centers for information on proper disposal.

## **Contact Information for Further Support**

If you have any questions or need assistance regarding the MEPRO Tru Dot Adjustable Sights, please refer to the manufacturer's website or contact their customer service for support.

By adhering to these safety instructions and guidelines, you will help ensure a safe and enjoyable experience with your MEPRO Tru Dot Adjustable Sights. Always prioritize safety and responsible use when handling firearms and related accessories.
