

# MEPRO Tru Dot ADJUSTABLE SIGHTS - Tru Dot ADJ AD COM PISTOL SET SPRINGFIELD XD SERIES G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated adjustable night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated adjustable day/night sights. TRU-DOT® adjustable models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated adjustable night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® adjustable sights are perfect for daylight, low-light, and nighttime conditions.

# MEPRO Tru Dot Adjustable Sights Safety Instruction Guide

## Introduction

Thank you for choosing the MEPRO Tru Dot Adjustable Sights. These selfilluminated night sights are designed to enhance your shooting accuracy under various lighting conditions. This safety instruction guide provides essential information to ensure the safe use, installation, and maintenance of your sights. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the sights are installed correctly and securely on your firearm.
- Always treat your firearm as if it is loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and sights in a secure location, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that you have a clear line of sight before firing.
- Regularly inspect your sights for any signs of damage or wear.
- Follow all local laws and regulations regarding the use of firearms and accessories.

## Specific Safety Precautions for Use

- Do not attempt to modify or alter the sights in any way.
- Ensure that the sights are compatible with your specific firearm model (Springfield XD Series).
- Use the sights only in accordance with the manufacturer's instructions.
- Avoid using the sights in extreme weather conditions that may affect their performance.
- If you experience any issues with the sights, cease use immediately and consult a qualified gunsmith or contact the manufacturer for assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully remove the existing front and rear sights from your firearm.
- Align the Tru Dot Adjustable Sights with the mounting points on your firearm.
- Securely fasten the sights using the provided hardware. Ensure they are tightly mounted to prevent movement during use.
- Verify that the sights are correctly aligned for optimal accuracy.

### 2. Usage:

- To use the Tru Dot sights, focus on the three solid dots (two rear and one front) for aiming.
- Practice aiming in varying light conditions to become accustomed to the sighting system.
- Regularly clean the sights to maintain visibility and performance.

## Disposal Instructions

- When disposing of the product, follow local regulations for electronic waste and firearm accessories.
- Ensure that any disposed parts are rendered unusable to prevent unauthorized use.
- Consider recycling options available in your area for responsible disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the MEPRO Tru Dot Adjustable Sights, please refer to the manufacturer's website or contact an authorized dealer for assistance.

By following this safety instruction guide, you can ensure a safer and more effective experience with your MEPRO Tru Dot Adjustable Sights. Thank you for prioritizing safety and responsible firearm use.
