

MEPRO Tru Dot ADJUSTABLE SIGHTS - Tru Dot ADJ. PISTOL SET H&K USP FULL SIZE,TAC/EXPERT MODEL G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated adjustable night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated adjustable day/night sights. TRU-DOT® adjustable models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated adjustable night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® adjustable sights are perfect for daylight, low-light, and nighttime conditions.

Safety Instruction Guide for MEPRO Tru Dot Adjustable Sights

Introduction

Thank you for choosing the MEPRO Tru Dot Adjustable Sights. These sights are designed to enhance your shooting accuracy in various lighting conditions. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms and accessories with care and respect.
- Ensure that your firearm is unloaded before installing or adjusting the sights.
- Use the sights only with compatible firearms as specified by the manufacturer.
- Regularly check the sights for any signs of damage or wear.
- Store the sights in a safe and secure location when not in use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Only use the product as intended and in accordance with all local laws and regulations.

Specific Safety Precautions for Use

• Installation Precautions:

- Ensure that the firearm is completely unloaded before installation.
- Use appropriate tools and follow the installation instructions carefully to avoid damaging the sights or firearm.

• Usage Precautions:

- Always wear appropriate eye and ear protection when shooting.
- Be mindful of the target and backstop to prevent accidents.
- Avoid using the sights in conditions that may impair your vision or judgment.

• Maintenance Precautions:

- Clean the sights regularly to maintain optimal performance.
- Do not attempt to modify the sights in any way that is not recommended by the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing front and rear sights using appropriate tools.
- Align the new Tru Dot Adjustable Sights with the mounting points on the firearm.
- Securely fasten the sights according to the manufacturer's specifications.
- Check alignment and make minor adjustments as needed.

2. Usage:

- Familiarize yourself with the sighting system before attempting to shoot.
- Practice aiming with the three solid dots in both daylight and lowlight conditions.
- Always ensure a proper grip and stance when using the firearm.

3. Adjustment:

- Adjust the sights as necessary for windage and elevation to suit your shooting preferences.
- Refer to the manufacturer's guidelines for specific adjustment procedures.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer functional, consider recycling materials where possible.

Contact Information for Further Support

For any safety inquiries or additional support regarding the MEPRO Tru Dot Adjustable Sights, please reach out to your local authorized dealer or the manufacturer directly. Ensure that you have the product details on hand for a more efficient response.

Please keep this safety instruction guide for future reference and ensure that all users of the MEPRO Tru Dot Adjustable Sights are aware of these safety guidelines. Your safety and the safety of those around you are of utmost importance.
