

# MEPRO Tru Dot ADJUSTABLE SIGHTS - Tru Dot ADJ AD COM PISTOL SET KAHR ARMS K,P,MK,PM G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated adjustable night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated adjustable day/night sights. TRU-DOT® adjustable models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated adjustable night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® adjustable sights are perfect for daylight, low-light, and nighttime conditions.

# MEPRO Tru Dot Adjustable Sights Safety Instruction Guide

## Introduction

Thank you for choosing the MEPRO Tru Dot Adjustable Sights. This guide provides essential safety instructions and guidelines to ensure the safe usage of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is compatible with your firearm model (Kahr Arms K, P, MK, PM).
- Always handle your firearm and sights with care to prevent accidents.
- Keep the sights and firearm out of reach of children and unauthorized users.
- Regularly check the sights for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm usage and modifications.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Only install the sights on a compatible firearm.
- Ensure the firearm is unloaded before installation.
- Use appropriate tools to avoid damaging the sights or firearm.

### • Usage Precautions:

- Always maintain proper firearm handling practices.
- Avoid using the sights in conditions where visibility is severely compromised (e.g., extreme fog, heavy rain).
- Be aware of your surroundings and ensure a safe backdrop when aiming or firing.

### • Maintenance Precautions:

- Clean the sights regularly to maintain visibility and functionality.
- Do not use harsh chemicals or abrasive materials during cleaning.
- Inspect the sights periodically for any loose parts or damage.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools (screwdriver, etc.) for installation.

#### 2. Removing Old Sights:

- Carefully remove the existing front and rear sights from your firearm.
- Keep any screws or components in a safe place for future reference.

#### 3. Installing New Sights:

- Align the Tru Dot Adjustable Sights with the mounting slots on the firearm.
- Securely attach the sights using the provided screws.
- Check that the sights are firmly in place before use.

## Usage Instructions

- To use the Tru Dot Adjustable Sights:
  - Align the three solid dots to establish your aiming point.
  - Practice aiming under various lighting conditions to become familiar with the sighting system.
  - Adjust your aim as necessary based on distance and target movement.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check for any recycling programs available in your area for firearm accessories.

## Contact Information for Further Support

For any questions or concerns regarding the MEPRO Tru Dot Adjustable Sights, please consult the manufacturer's website or contact your local retailer for assistance.

This guide complies with the EU General Product Safety Regulation (GPSR) and aims to provide you with the necessary information for safe handling and usage of the MEPRO Tru Dot Adjustable Sights. Always prioritize safety and responsible usage.
