

# MEPRO Tru Dot ADJUSTABLE SIGHTS - Tru Dot ADJ. PISTOL SET S&W K,L,N REV.(PINNED F.S) G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated adjustable night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated adjustable day/night sights. TRU-DOT® adjustable models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated adjustable night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® adjustable sights are perfect for daylight, low-light, and nighttime conditions.

# MEPRO Tru Dot Adjustable Sights Safety Instruction Guide

## Introduction

Thank you for choosing MEPRO Tru Dot Adjustable Sights. These selfilluminated adjustable night sights are designed to enhance your shooting capabilities in various lighting conditions. Please read this safety instruction guide carefully to ensure the safe and effective use of your product.

## General Safety Guidelines

- Ensure safe use of the sights by following the instructions provided.
- Always handle firearms with care and in accordance with local laws and regulations.
- Keep the sights out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear.
- Do not modify the product in any way that could compromise its safety or functionality.
- If you suspect any issues with the sights, discontinue use and consult a qualified professional.

## Specific Safety Precautions for Use

- Always ensure your firearm is unloaded before installing or adjusting the sights.
- Use protective eyewear when shooting to safeguard against potential hazards.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not use the sights in conditions that may impair your ability to aim accurately.
- Familiarize yourself with the sighting system before engaging in live fire practice.
- Do not attempt to adjust the sights while the firearm is loaded or in use.

## Instructions for Installation and Usage

### Installation

1. **Prepare Your Firearm:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Sights:** Use appropriate tools to carefully remove the existing front and rear sights.
3. **Mount the New Sights:** Align the MEPRO Tru Dot Adjustable Sights with the mounting dovetails. Ensure they are securely in place.
4. **Secure the Sights:** Use the provided screws or pins to secure the sights. Ensure they are tightened to avoid movement during use.
5. **Check Alignment:** Verify that the sights are properly aligned for optimal accuracy.

### Usage

- **Daylight Use:** The sights provide a clear aiming reference with three solid dots for easy targeting.
- **LowLight/Night Use:** The selfilluminated feature enhances visibility in lowlight conditions.
- **Aiming:** Maintain a consistent grip and stance while aiming to improve accuracy.
- **Transitioning Between Light Conditions:** The sighting system is designed for seamless use in both day and night conditions without requiring adjustment.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sights in regular household waste.
- If the product is damaged or no longer in use, contact local waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of MEPRO Tru Dot Adjustable Sights, please contact your local distributor or refer to the manufacturer's website for support resources.

Thank you for prioritizing safety and compliance while using MEPRO Tru Dot Adjustable Sights. Enjoy enhanced accuracy and confidence in your shooting experience!
