

# MEPRO Tru Dot ADJUSTABLE SIGHTS - Tru Dot ADJ. PISTOL SET SIG 9MM/357, P SER (NOT 365XL) G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated adjustable night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated adjustable day/night sights. TRU-DOT® adjustable models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated adjustable night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® adjustable sights are perfect for daylight, low-light, and nighttime conditions.

# MEPRO Tru Dot Adjustable Sights Safety Instruction Guide

## Introduction

Thank you for choosing the MEPRO Tru Dot Adjustable Sights. These combatproven selfilluminated adjustable night sights are designed to enhance your shooting capabilities under lowlight conditions. Please read this safety instruction guide carefully to ensure safe and effective use of your product.

## General Safety Guidelines

- Ensure that the product is used in accordance with all applicable laws and regulations.
- Always handle firearms and accessories with care.
- Keep the sights clean and free from obstructions to ensure optimal performance.
- Store the product in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of damage or wear before each use.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Do not modify the sights in any way that may compromise their safety or effectiveness.
- Always wear appropriate eye and ear protection when using firearms equipped with these sights.
- Ensure that the firearm is unloaded when installing or adjusting the sights.
- Follow the manufacturer's instructions for installation and adjustments to avoid improper use.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Old Sights:** If replacing existing sights, carefully remove them using appropriate tools.
3. **Mount New Sights:** Align the MEPRO Tru Dot Adjustable Sights with the sight dovetail on your firearm. Minor modifications may be necessary for proper fit.
4. **Secure the Sights:** Use the appropriate screws or mounting hardware to secure the sights in place. Ensure they are tightened to avoid movement during use.
5. **Final Check:** Inspect the installation to ensure everything is secure and properly aligned.

### Usage

- **Aiming:** Use the three solid dots as your aiming reference. The dots are designed to be identical in appearance and location under all light conditions.
- **Shooting:** Practice shooting under various light conditions to become familiar with the sights' performance.
- **Maintenance:** Regularly clean the sights with a soft cloth to maintain visibility and functionality.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste disposal authority for information on proper disposal methods for firearm accessories.

## **Contact Information for Further Support**

For questions or concerns regarding the MEPRO Tru Dot Adjustable Sights, please refer to the manufacturer's website or contact your local dealer for assistance.

Thank you for prioritizing safety while using the MEPRO Tru Dot Adjustable Sights. By following these guidelines, you can ensure a safer and more enjoyable shooting experience.
