

HYPER BRIGHT FIXED PISTOL GLOCK - HYPER BRIGHTFIXED PISTOL SET GLOCK STD.FRAME 9/357SIG/40/45GAP G RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SIGHT SET by MEPROLIGHT. This product is designed to enhance your shooting experience by providing optimal visibility in various lighting conditions. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Always handle firearms with care and responsibility.
- Ensure that the firearm is unloaded before installing or adjusting the sights.
- Do not point the firearm at anything you do not intend to shoot.
- Keep the firearm and sights out of reach of children and unauthorized users.
- Regularly inspect the sights for any damage or wear.
- If you notice any issues with the sights, discontinue use and seek assistance.
- Follow all local laws and regulations regarding firearm use and safety.

Specific Safety Precautions for Use

- **Visibility:** The HYPER BRIGHT sights are designed for use in lowlight conditions. Ensure you are familiar with their operation before relying on them in critical situations.
- **Installation:** Proper installation is crucial for optimal performance. Follow the installation instructions carefully.
- **Shooting Environment:** Be aware of your surroundings and ensure a safe shooting environment. Avoid shooting in crowded or restricted areas.
- **Sighting Alignment:** Always align the front and rear sights correctly to ensure accurate shooting.
- **Maintenance:** Keep the sights clean and free from debris to maintain visibility and functionality.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing sights from the firearm according to the manufacturer's instructions.
- Align the HYPER BRIGHT sights with the mounting points on your Glock.
- Secure the sights in place, ensuring they are tight and stable.
- Check alignment and make any necessary adjustments.

2. Usage:

- Familiarize yourself with the sight picture before using the firearm in a live environment.
- Practice shooting in various lighting conditions to understand how the sights perform.
- Use the sights in conjunction with proper shooting techniques for best results.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sights in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the HYPER BRIGHT FIXED PISTOL SIGHT SET, please refer to the contact point provided with your product packaging or visit the manufacturer's website for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your HYPER BRIGHT FIXED PISTOL SIGHT SET. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these important guidelines.
