

HYPER BRIGHT FIXED PISTOL GLOCK - HYPER BRIGHTFIXED PISTOL SET GLOCK STD.FRAME 9/357SIG/40/45GAP O RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL GLOCK Safety Instruction Guide

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL GLOCK. This product is designed to enhance your shooting experience with its advanced tritium sights, ensuring maximum visibility in various lighting conditions. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that the firearm is unloaded before installing or adjusting sights.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and sights in a secure location, out of reach of children.
- Regularly inspect the sights for any damage or wear.
- Do not attempt to modify or alter the sights in any way.

Specific Safety Precautions for Use

- **Visibility in Low Light:** The tritium sights are designed for lowlight conditions. Ensure that you are familiar with their functionality before using them in the dark.
- **Always On:** The sights do not require batteries or switches. They are always on and ready for use, ensuring you have reliable visibility.
- **Proper Alignment:** Ensure that the sights are properly aligned for accurate aiming. Misalignment can lead to inaccurate shots.
- **Environmental Considerations:** These sights are built to withstand various weather conditions. However, avoid exposing them to extreme temperatures or corrosive environments.
- **Age Restrictions:** This product is intended for use by individuals of legal age for firearm ownership in your jurisdiction. Ensure that you comply with local laws and regulations.

Instructions for Installation and Usage

Installation

1. **Unloading the Firearm:** Ensure that your firearm is completely unloaded before beginning the installation process.
2. **Remove Old Sights:** If applicable, carefully remove the existing sights from your Glock using appropriate tools.
3. **Positioning the New Sights:** Align the HYPER BRIGHT FIXED PISTOL sights with the mounting points on your Glock.
4. **Secure the Sights:** Use the provided tools to secure the sights firmly in place. Ensure that they are aligned correctly for optimal aiming.
5. **Final Inspection:** Once installed, doublecheck the alignment and security of the sights before using the firearm.

Usage

- **Aiming:** Use the contrasting colors of the front and rear sights to quickly focus on your target. The bright colored ring aids in faster target acquisition.
- **Maintenance:** Regularly check the sights for any signs of wear or damage. Clean them gently using a soft cloth to maintain visibility.
- **Storage:** When not in use, store your firearm and sights in a safe and secure location.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the sights become damaged or are no longer functional, consult with local authorities or recycling centers for proper disposal methods.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries regarding the HYPER BRIGHT FIXED PISTOL GLOCK, please refer to the manufacturer's contact information provided with your product. Ensure that you have the serial number and purchase details ready for reference.

Conclusion

Your safety is paramount when using the HYPER BRIGHT FIXED PISTOL GLOCK. By following the guidelines outlined in this instruction guide, you can ensure a safe and enjoyable shooting experience. Always be aware of your surroundings and responsible in your use of firearms. Enjoy your enhanced visibility with HYPERBRIGHT™ sights!
