

# **HYPER BRIGHT FIXED PISTOL GLOCK - HYPER BRIGHT FIXED PISTOL FRONT GLOCK STD.FRAME 9/357SIG/40/45GAP G RING**

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions.

Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime.

ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# **HYPER BRIGHT FIXED PISTOL SAFETY INSTRUCTIONS**

## **Introduction**

Thank you for choosing the HYPER BRIGHT FIXED PISTOL. This product is designed to provide superior visibility and accuracy in various lighting conditions. To ensure your safety and the optimal performance of your handgun sight, please read and follow these safety instructions carefully.

## **General Safety Guidelines**

- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the area around you is clear of people and obstructions before handling your firearm.
- Store your firearm securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm and sights for any signs of wear or damage.
- Use only compatible ammunition as specified by the manufacturer.

## **Specific Safety Precautions for Use**

- Ensure that the sights are properly installed before use. Refer to the installation instructions below.
- Avoid exposing the sights to extreme temperatures or harsh chemicals, as this may affect their performance.
- Do not attempt to modify or disassemble the sights, as this may compromise their safety and functionality.
- Be aware of your surroundings and ensure that you have a clear line of sight when aiming and firing.
- If you notice any malfunction or unusual behavior from the sights, cease use immediately and consult a qualified professional.

## **Instructions for Installation and Usage**

### **Installation**

1. Ensure that your firearm is unloaded before beginning the installation process.
2. Remove the existing sights from your Glock firearm, following the manufacturer's instructions.
3. Align the HYPER BRIGHT FIXED PISTOL sights with the mounting points on your Glock frame.
4. Securely fasten the sights in place, ensuring they are stable and properly aligned.
5. Conduct a visual inspection to confirm that the sights are correctly installed.

### **Usage**

- Before using your firearm, familiarize yourself with the operation of the HYPER BRIGHT FIXED PISTOL sights.
- In lowlight conditions, the tritium illumination will automatically activate, providing visibility.
- Practice aiming and target acquisition in various lighting conditions to become accustomed to the sights.
- Always maintain a firm grip on your firearm while aiming and firing.

## **Disposal Instructions**

- When disposing of the HYPER BRIGHT FIXED PISTOL sights, follow local regulations regarding hazardous materials.
- Do not dispose of the sights in regular household waste.
- Contact your local waste management facility for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the HYPER BRIGHT FIXED PISTOL, please refer to the manufacturer's contact information provided with your product packaging. You can also check the EU's Safety Gate platform for updates on product safety.

Thank you for prioritizing safety while using the HYPER BRIGHT FIXED PISTOL. Your attention to these guidelines will help ensure a safe and enjoyable experience.
