

# HYPER BRIGHT FIXED PISTOL GLOCK - HYPER BRIGHT FIXED PISTOL FRONT GLOCK STD.FRAME 9/357SIG/40/45GAP O RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# HYPER BRIGHT FIXED PISTOL SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL sights. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read through this document carefully to understand the safety measures and proper usage of your new sights.

## General Safety Guidelines

- **Product Safety:** The HYPER BRIGHT FIXED PISTOL sights are designed to provide safe use. Always ensure that you understand the product features and limitations.
- **Enhanced Recalls:** In the unlikely event of a recall, you will be notified through standardized notices. Please follow the instructions provided for any necessary remedies.
- **Online Shopping Safety:** If purchased online, ensure that the seller complies with EU safety requirements. Verify that the product is genuine and meets safety standards.
- **Special Consumer Focus:** Extra precautions should be taken if the product is used around vulnerable groups, such as children. Keep the sights out of reach of children.
- **EU Contact Point:** For safety inquiries, please refer to the EU contact point. Ensure you have access to relevant information regarding product safety.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate platform. Regularly check for any alerts related to your product.

## Specific Safety Precautions for Use

- **Proper Handling:** Always handle the firearm with care. Ensure the firearm is unloaded when installing or adjusting sights.
- **Visibility:** Ensure that the sights are visible and functioning properly before use. Check the tritium illumination regularly.
- **Weather Conditions:** Be aware that although the sights are designed to be reliable in various weather conditions, extreme conditions may affect visibility.
- **Regular Inspection:** Inspect the sights regularly for any signs of damage or wear. Replace as necessary to maintain optimal performance.
- **Installation:** Follow installation instructions carefully to avoid improper fitting, which can lead to safety hazards.

## Instructions for Installation and Usage

### Installation

1. **Tools Required:** Ensure you have the necessary tools for installation, such as a screwdriver or sight pusher.
2. **Check Compatibility:** Verify that the sights are compatible with your Glock model before installation.
3. **Remove Old Sights:** If applicable, carefully remove the existing sights using the appropriate tool.
4. **Install New Sights:**
  - Align the front sight with the mounting slot on the slide.
  - Securely fasten the sight in place, ensuring it is straight and properly seated.
  - Repeat the process for the rear sight.
5. **Final Check:** Once installed, check that both sights are secure and aligned correctly.

## Usage

- **Aiming:** Use the Unotch shape on the rear sight to naturally direct your eyes to the top of the front sight for quick target acquisition.
- **Lighting Conditions:** The sights are designed to be effective in both day and night conditions. Ensure that you are familiar with the sight's performance in varying light.
- **Maintenance:** The sights are maintenancefree. However, periodic checks for functionality are recommended.

## Disposal Instructions

- **Environmental Responsibility:** Dispose of the product in accordance with local regulations. Do not dispose of in regular household waste.
- **Recycling:** If possible, recycle components of the sights to minimize environmental impact.

## Contact Information for Further Support

For any questions or concerns regarding the HYPER BRIGHT FIXED PISTOL sights, please consult your retailer or refer to the EU contact point for safety inquiries.

Thank you for following these safety instructions. Enjoy using your HYPER BRIGHT FIXED PISTOL sights safely and effectively.
