

# **HYPER BRIGHT FIXED PISTOL GLOCK - HYPER BRIGHT FIXED PISTOL FRONT GLOCK STD.FRAME 9/357SIG/40/45GAP Y RING**

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions.

Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime.

ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# HYPER BRIGHT FIXED PISTOL SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL FRONT SIGHT. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used in accordance with local laws and regulations regarding firearms and sights.
- Inspect the sight regularly for any signs of damage or wear. Do not use if damaged.
- Keep the sight clean and free from obstructions to maintain optimal visibility.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Use the sight only for its intended purpose. Misuse may lead to accidents or injuries.

## Specific Safety Precautions for Use

- Always treat your firearm as if it is loaded, even when you believe it is not.
- Never point the firearm at anything you do not intend to shoot.
- Ensure the firearm is pointed in a safe direction when installing or adjusting the sight.
- Use appropriate eye and ear protection when using the firearm.
- Be aware of your surroundings and ensure a clear shooting area before firing.
- If you experience any issues with the sight, discontinue use immediately and consult a qualified professional.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Ensure the firearm is unloaded and safe to handle.
2. **Remove the Old Sight:** If applicable, carefully remove the existing sight from the firearm.
3. **Install the HYPER BRIGHT FIXED PISTOL FRONT SIGHT:**
  - Align the sight with the mounting area on the firearm.
  - Secure the sight using the provided mounting hardware. Ensure it is tightened properly but do not overtighten.
4. **Check Alignment:** Verify that the sight is aligned correctly before use.

### Usage Instructions

- Familiarize yourself with the sight's features and how it functions in various lighting conditions.
- Practice aiming with the sight in a safe environment before using it in a live shooting scenario.
- Adjust your shooting stance and grip to accommodate the sight for optimal performance.
- Regularly check the sight for proper functionality, especially before shooting sessions.

### Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and hazardous waste.
- Do not dispose of the sight in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the HYPER BRIGHT FIXED PISTOL FRONT SIGHT, please refer to the contact information provided on the packaging or product documentation.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your HYPER BRIGHT FIXED PISTOL FRONT SIGHT. Always prioritize safety and responsibility when handling firearms and related accessories.
