

# **HYPER BRIGHT FIXED PISTOL SET GLOCK - HYPER BRIGHT FIXED PISTOL SET GLOCK 42,43,43X,48 G RING/G**

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions.

Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime.

ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# **HYPER BRIGHT FIXED PISTOL SET GLOCK Safety Instruction Guide**

## **Introduction**

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET GLOCK. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully to avoid any potential hazards and to maximize your satisfaction with this product.

## **General Safety Guidelines**

- Ensure the product is used only for its intended purpose.
- Always handle firearms responsibly and in compliance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sights for damage or wear before use.
- Do not attempt to modify or disassemble the sights.
- If you notice any malfunction or damage, cease use immediately and contact a qualified professional.

## **Specific Safety Precautions for Use**

- Use the sights only with compatible Glock models: 42, 43, 43X, and 48.
- Ensure proper installation according to the guidelines provided in this manual.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always wear appropriate eye and ear protection when using firearms.
- Avoid using the product in extreme weather conditions that may affect visibility or functionality.
- Do not rely solely on the sights in lowlight conditions; always assess your environment.

## **Instructions for Installation and Usage**

### **Installation**

1. **Preparation:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Sights:** If replacing existing sights, carefully remove them using the appropriate tools.
3. **Install New Sights:**
  - Align the front sight with the dovetail slot on the slide.
  - Tap gently with a nonmarring tool to secure it in place.
  - Repeat the process for the rear sight, ensuring it is aligned properly.
4. **Final Check:** Ensure both sights are secure and properly aligned.

### **Usage**

- To use the HYPER BRIGHT FIXED PISTOL SET GLOCK:
  - Acquire your target and focus on the front sight.
  - Use the contrasting colors of the sights to assist in target acquisition.
  - Practice regularly to familiarize yourself with the sight picture and improve accuracy.

## **Disposal Instructions**

- When disposing of the product, follow local regulations regarding the disposal of firearm accessories.
- Do not dispose of the product in regular household waste.
- Contact a local hazardous waste facility for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or further support regarding the HYPER BRIGHT FIXED PISTOL SET GLOCK, please reach out to the appropriate EUbased contact point provided with your product.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your HYPER BRIGHT FIXED PISTOL SET GLOCK. Always prioritize safety in all aspects of firearm handling and maintenance. Thank you for your attention to these important guidelines.
