

HYPER BRIGHT FIXED PISTOL SET GLOCK - HYPER BRIGHT FIXED PISTOL SET GLOCK 42,43,43X,48 O RING/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches – always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

HYPER BRIGHT FIXED PISTOL SET GLOCK Safety Instruction Guide

Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET for your Glock 42, 43, 43X, or 48. This product is designed to enhance your shooting experience with superior visibility in all lighting conditions. To ensure your safety and the proper use of this product, please read and follow the guidelines outlined in this safety instruction guide.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use and complies with EU General Product Safety Regulation (GPSR). Ensure you understand how to use it properly.
- **Enhanced Recalls:** Stay informed about any safety recalls. If a recall is issued, you will be notified through standardized notices.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** Extra precautions should be taken when using this product around children or vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for this product.
- **Rapid Alerts:** Be aware of the Safety Gate system for timely updates on any unsafe products.

Specific Safety Precautions for Use

- **Visibility:** Always ensure that your sights are clean and unobstructed for optimal visibility.
- **Handling:** Treat all firearms as if they are loaded. Always point the firearm in a safe direction.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting which may affect performance.
- **Maintenance:** Regularly check the sights for any signs of damage or wear. Replace as necessary.
- **Environment:** Be mindful of environmental conditions. Avoid using the firearm in extreme weather unless the sights are rated for such use.
- **Storage:** Store your firearm and sights in a secure location, away from children and unauthorized users.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing sights from your Glock using appropriate tools.
- Align the HYPER BRIGHT FIXED PISTOL SET sights with the mounting points on your Glock.
- Securely fasten the sights according to the manufacturer's instructions.
- Check alignment and adjust if necessary.

2. Usage:

- Familiarize yourself with the sighting system before use.
- Practice aiming in various lighting conditions to understand the sight's capabilities.
- Always ensure the firearm is pointed in a safe direction when practicing.

Disposal Instructions

- **Disposal of Product:** When disposing of the product, follow local regulations for hazardous waste.
- **Sights:** If the tritium vials are damaged, do not attempt to dispose of them yourself. Contact local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the official contact point provided with your product packaging or visit the manufacturer's website.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your HYPER BRIGHT FIXED PISTOL SET. Always prioritize safety and responsibility when handling firearms.
